EXAMINATIONS FOR LICENSURE

3100.3100 CONDUCT OF EXAMINATIONS.

The following rules govern the conduct of examinations given to those applicants for licensure as a dentist or hygienist or for registration as a registered dental assistant and must be strictly adhered to throughout the entire examination. An examinee who violates any of the rules or instructions applicable may be declared by the board to have failed the examination.

A. The board may employ qualified persons to serve as proctors to assist members in the conduct of the examinations.

B. The board shall assign each applicant a number, and said applicant shall be known by that number throughout the entire examination.

C. The ability of an examinee to read and interpret instructions and examination material is a part of the examination.

D. Any examinee who gives or receives assistance in any portion of the examination may be dismissed from the examination.

E. An examinee shall not leave the examination room without permission of an examiner or proctor.

F. Notes, textbooks, or other informative data shall not be brought to the examination rooms.

MINNESOTA RULES 1985

3100.3100 DENTISTS, HYGIENISTS, AND ASSISTANTS

G. An examinee shall not alter questions or write explanations to answers on the examination paper.

H. Copying of examination questions is forbidden.

I. Question sheets must be returned with the answer sheets.

J. An examinee shall occupy the space assigned throughout the entire examination.

K. When finished writing during an assigned period, the examinee shall turn in the complete papers to an examiner or proctor and leave the room.

L. Under no circumstances shall an examination paper be returned to an examinee once it has been submitted as in K.

M. No persons other than those directly connected with the examination shall be admitted to the examination rooms.

Statutory Authority: *MS s 150A.04 subd 5*

3100.3200 CLINICAL EXAMINATIONS.

Every dentist and hygienist applicant shall give a demonstration of skill in those operations appropriate for his level of licensure or registration prescribed by the board. Registered dental assistant applicants may also be so examined. All operations shall be performed in the presence of a board member qualified for the particular examination being given or consultant appointed by the board for that purpose.

Statutory Authority: *MS s 150A.04 subd 5; 150A.06 subds 1,2*

3100.3300 EXAMINATION OF DENTISTS.

Subpart 1. **Scope.** The act provides that the examination of applicants for a license to practice dentistry in this state shall be sufficiently thorough to test the fitness of the applicant to practice dentistry.

Subp. 2. **National board examination.** Each applicant must pass a national board examination. At the discretion of the board, any dentist who has lawfully practiced dentistry in another state for five years may be exempted from taking the national board examination.

Subp. 3. **Additional written examination content.** All applicants shall be examined for general knowledge of the act, the rules of the board and the Minnesota Professional Corporations Act. Additional written theoretical examinations may be administered by the board for licensure.

Subp. 4. **Diagnosis and treatment examination.** All dentist applicants may be examined in oral diagnosis and treatment planning. Such examination shall be formulated to test the applicant's ability to recognize and institute treatment of common oral pathologic conditions as well as to test his knowledge, understanding, and judgment relative to all types of dental health service.

Subp. 5. **Examination for continued licensure.** The board may administer any other examination it deems necessary to determine qualification for continued licensure.

Statutory Authority: *MS s 150A.04 subd 5; 150A.06 subd 1*

3100.3400 EXAMINATION OF DENTAL HYGIENISTS.

Subpart 1. **Scope.** The act provides that the examination of applicants for a license to practice dental hygiene in this state shall be sufficiently thorough to test the fitness of the applicant to practice dental hygiene.

Subp. 2. **National board examination.** Each applicant must pass the national board examination. At the discretion of the board, any dental hygienist duly licensed to practice as such in another state which has and maintains laws regulating the practice of dental hygiene by dental hygienists, equivalent to this state's, who is of good professional character and is desirous of licensure in this state and presents a certificate from the examining board of the state in which

CONTINUING EDUCATION

3100.4100 CONTINUING DENTAL EDUCATION.

Subpart 1. **Evidence of attendance.** Each licensee and registrant shall each year provide the board evidence, on forms provided by it, that such person has attended or participated in CDE as required by parts 3100.4100 to 3100.4700.

At the present time the board cooperates with and is part of the registry which provides a centralized record-keeping system using computer facilities. Thus, the forms provided by the board for reporting participation in CDE courses are computer cards sent to each licensee and registrant by the board through the registry. See parts 3100.4200, subpart 2 and 3100.4600 for rule provisions relating to reporting.

Subp. 2. **Minimum hours.** The minimum number of hours of approved CDE for each five years shall be: for dentists, 75 hours; for hygienists, 40 hours; and for registered dental assistants, 25 hours.

Subp. 3. **Five-year cycles.** The five-year cycles shall be established as follows.

Each person licensed prior to the effective date of parts 3100.4100 to 3100.4700 shall remain within the five-year time cycle already assigned to him under Minnesota Statutes 1974, section 150A.09, subdivision 2.

Each person registered on or before June 30, 1977, shall commence the first five-year cycle on July 1, 1977.

Each person initially licensed after the effective date of parts 3100.4100 to 3100.4700 and each person initially registered after June 30, 1977, shall commence the first five-year cycle on July 1 following the date of initial licensure or registration.

The anniversary date for completing CDE credits shall be June 30.

3100.4200 CDE SPONSORS.

Subpart 1. **Sponsor approval system.** The board adopts a sponsor approval CDE system except as provided for in part 3100.4300.

Subp. 2. **Application procedure.** The procedure for applying for approval as a sponsor of CDE courses shall be as follows. Persons or organizations intending to offer courses for CDE credit shall apply to the board in advance for approval and shall supply all information specified in subpart 5 as well as any other information which the board may reasonably require consistent with the purposes of parts 3100.4100 to 3100.4700. The board may use as consultants a committee appointed for such evaluation.

Subp. 3. **Information required.** The following information shall be submitted to the board by an applicant:

- A. the name and address of the applicant;
- B. the name of the person associated with the applicant responsible for the application;
- C. the names and addresses of the officers of the applicant;
- D. a description of the types of courses which the applicant plans to sponsor; and
- E. a statement as to the applicant's policy with respect to the qualifications of speakers, lecturers, and others making presentations.

Subp. 4. **Annual report.** Sponsors shall submit the information required by subpart 3 annually.

Subp. 5. **Approval standards.** The board shall approve as a sponsor those applicants which meet the following standards:

- A. The applicant is formally organized as a corporation (for profit or not for profit), partnership, or other formal association and has as one of its principal purposes the sponsoring of CDE courses.
- B. The proposed types of courses to be sponsored shall have significant intellectual or practical content which deals primarily with matters directly related to the practice of dentistry or auxiliary functions or with the professional responsibility or ethical obligations of licensees or registrants.
- C. The applicant shall permit only those who are qualified by practical or academic experience to teach, speak, lecture, or make presentations at CDE course sponsored by it.

Subp. 6. **Proof of participation.** Each sponsor, at least once during each CDE course sponsored by it, shall announce to all participants that in order to receive CDE credit that they submit to the sponsor a computer card supplied by the board through the registry within two weeks of completion of the course. The sponsor shall submit all computer cards to the registry within three weeks after completion of the course.

Subp. 7. **Denial or revocation of approval.** The board shall state in writing its reasons for denying any sponsor application.

The board may deny approval of a specific course offered by an approved sponsor if such a course does not meet the standards of courses as specified by part 3100.4300, subpart 3.

The board may revoke its approval of any sponsor for failure to comply with provisions of subparts 4, 5, and 6 and part 3100.4700, for falsification of any information requested or required by the board relating to the application for approval as a sponsor or to the administration of courses of a sponsor, or for other just cause.

DENTISTS, HYGIENISTS, AND ASSISTANTS 3100.4400

3100.4300 APPROVAL OF COURSES ATTENDED.

Subpart 1. **Credit for nonapproved courses.** Licensees or registrants may apply individually for approval of CDE courses which are sponsored by organizations which have not applied and been approved as sponsors pursuant to part 3100.4200. Information as specified in subpart 2 as well as any other information which the board may reasonably require for the purposes of evaluating the course for which approval is sought shall be submitted to the board. The board may use as consultants a committee appointed for such evaluation.

Subp. 2. **Information required.** The following information, along with the form supplied by the board for reporting participation in CDE courses with the back side of it completed, shall be submitted to the board by a licensee or registrant:

A. the name and address of the organization sponsoring the course for which credit is requested;

B. the name and address of the person in the sponsoring organization with which the board may correspond with respect to the course for which credit is requested;

C. a detailed description of the content of the course;

D. the name of each instructor or person making a presentation and his credentials;

E. the location including the name and address of the facility at which the course will be conducted.

Subp. 3. **Course approval standards.** The board shall grant CDE credit for any course which meets the following standards. The course shall have significant intellectual or practical content dealing primarily with matter directly related to the practice of dentistry or auxiliary functions or to the professional responsibility or ethical obligations of the participants.

Subp. 4. **Qualifications to present courses.** Each person making a CDE course presentation shall be qualified by practical or academic experience to teach the subjects he covers. Participants shall attend courses in a classroom, laboratory, or setting suitable for the course. Video, motion picture, or sound tape presentations may be used provided a qualified person is present to verify attendance.

Subp. 5. **Excluded courses.** No course will be approved which involves TV viewing in the home, correspondence work, or self-study only.

Ordinarily, credit will not be given for speeches given at luncheons or banquets.

Subp. 6. **Written denial.** The board shall state in writing its reasons for denying any application for approval of a course for CDE credit hours.

3100.4400 ESTABLISHING CREDIT HOURS FOR COURSES.

The board, for courses approved pursuant to part 3100.4300, after evaluating the information submitted, and sponsor shall fix the number of hours of CDE credit for each course based upon the following criteria:

A. Multiday convention-type meetings such as state or national dental conventions or their equivalent shall be given five clock hours credit only.

B. Scientific or educational meetings or courses or similar offerings shall be credited on an hour-for-hour basis.

C. Home study with a testing mechanism shall be awarded hourly credit if the examination is successfully completed based upon a determination by the board or sponsor of the reasonable amount of time necessary to cover the material and take the examination and not on the basis of the individual time taken to study or review the material.

D. Presentation of a course made on behalf of a sponsor shall be credited on an hour-for-hour basis.

Subpart 1. **Lectures, research, and study.** Sponsors may offer for, and licensees and registrants may request continuing dental education for, the following which shall also comply with the requirements of parts 3100.4200, subpart 5 and 3100.4300, subpart 3:

- A. lectures;
- B. study clubs;
- C. college postgraduate courses;
- D. scientific sessions of conventions;
- E. research;
- F. graduate study;
- G. course presentation made on behalf of an approved sponsor; and
- H. home study with a testing mechanism supplied by the sponsor. In

order to receive CDE credit, the licensee or registrant must successfully complete and pass the test.

Subp. 2. **Other forms of CDE.** The board may also approve other forms of CDE if the approval standards as specified in parts 3100.4200, subpart 5 and 3100.4300, subpart 3 are met. Examples of such other forms of CDE are:

A. Successfully passing part II of the national board examination for dentists if taken five or more years after graduation. This will fulfill the five year requirement for dentists.

B. Satisfactory completion of an advanced education program such as an internship or residency accredited by the American Dental Association Commission on Accreditation and approved by the board. Such programs will fulfill the five year requirement for dentists.

C. Successfully passing the national board examination for dental hygiene if taken five or more years after graduation. This will fulfill the five year requirement for hygienists.

D. Satisfactory completion of an advanced education program approved by the board. This will fulfill the five year requirement for hygienists.

E. Publication of articles or books. CDE credit will be granted on an individual consideration basis.

3100.6300 ADEQUATE SAFETY AND SANITARY CONDITIONS FOR DENTAL OFFICES.

Subpart 1. **Minimum conditions.** The following subparts 2 to 11 are minimum safety and sanitary conditions.

Subp. 2. **Premises.** The premises shall be kept neat and clean, and free of accumulations of rubbish, ponded water, or other health conditions of similar nature which would have a tendency to create a public health nuisance.

Subp. 3. **Housekeeping facilities and services.** Housekeeping facilities and services necessary to assure comfortable and sanitary conditions for patients and employees shall be utilized.

Subp. 4. **Control of insects and vermin.** The premises shall be kept free of ants, flies, roaches, rodents, and other insects or vermin. Proper methods for their eradication or control shall be utilized.

Subp. 5. **Refuse disposal.** Refuse shall be kept in approved containers and emptied at frequent intervals.

Subp. 6. **Heating, lighting, and other service equipment.** The heating of offices shall be by heating systems conforming to state and local heating codes and regulations. Individual room heaters shall be so located as to avoid direct contact with any combustible material. Installation and maintenance of electric wiring, motors, and other electrical equipment shall be in accordance with applicable state and local electric codes and regulations.

Subp. 7. **Water supply.** An ample supply of water of a safe, sanitary quality, from a source that is approved by the local health officer, shall be piped under pressure, and in an approved manner, to all equipment and fixtures where the use of water is required.

Subp. 8. **Plumbing.** Plumbing shall be in accordance with all applicable plumbing codes. Adequate hand-washing facilities, of an approved type, shall be provided convenient to the work area. Hand-washing facilities shall be equipped with soap and towels, and the drain from such facility shall be properly trapped and connected directly to the waste disposal system.

Subp. 9. **Disposal of liquid and human waste.** All liquid and human waste, including floor wash water, shall be disposed of through trap drains into a public sanitary sewer system in localities where such a system is available. In localities where a public sanitary sewer system is not available, liquid and human waste shall be disposed of through trapped drains and in a manner approved by the local health officer.

Subp. 10. **Clean rooms.** Floors, walls, and ceilings of all rooms, including store rooms, shall be clean and free of any accumulation of rubbish.

Subp. 11. **Sterilizers and sterilization.** Every dental office shall be equipped with adequate sterilizing facilities for instruments and supplies. Sterilization procedures shall be adequately and regularly employed.

3100.6600 ADVERTISING DENTAL FEES.

Subpart 1. **Routine services.** Fees may be advertised for routine services only. A "routine service" is defined as one which is performed frequently in the dentist's practice; is usually provided at a set fee; is provided with little or no variance in technique; and includes all professionally recognized components within generally accepted standards. If the following routine dental services are advertised, they must adhere to these minimum standards, which are examples of the comprehensiveness required to satisfy this definition:

A. Examination: a study by the dentist of all the structures of the oral cavity, including the recording of the condition of all such structures and appropriate history thereof, including as a minimum the charting of caries, identification of periodontal disease and occlusal discrepancies, and the detection of oral abnormalities. If an examination fee is advertised, the same advertisement must include the following additional diagnostic procedures and their fees:

(1) Radiographs (X rays): X rays of the oral structures to be used for purposes of diagnosis and which include either a panograph and four bitewings, or intraoral full mouth review utilizing a minimum of 14 periapical and four bitewing films. Any films must be adequate to provide a complete radiographic study.

(2) Diagnosis: a written opinion of items found in an examination.

(3) Treatment planning: a written itemized treatment recommendation and written itemized fee estimate provided to the patient.

B. Denture: either a full upper or full lower replacement of the natural dentition with artificial teeth. If the service advertised is for a denture

which is partially prefabricated or is intended to be used as an emergency or temporary denture, such fact shall be fully set forth in the text of the advertisement. The fee shall include a reasonable period for readjustment.

C. Prophylaxis: the removal of calculus (tartar) and stains from the exposed and unexposed surfaces of the teeth by scaling and polishing.

D. Extractions: this service is for the removal of nonimpacted teeth and includes necessary X rays, anesthesia, preoperative, and postoperative care.

Subp. 2. **Burden of proof.** At the request of the board, the licensee, office, or professional corporation shall bear the burden of proving that any advertised services are, in fact, "routine dental services" as defined in subpart 1.

Subp. 3. **Identification of additional fees.** Related services which may be required in conjunction with the advertised services, and for which additional fees will be charged, must be identified as such in the advertisement.

Subp. 4. **Range of fees.** Advertising a range of fees for a given service is prohibited.

Subp. 5. **Time period of advertised fees.** Advertised fees must be honored for those seeking the advertised services during the entire time period stated in the advertisement, whether or not the services are actually rendered in that time. If no time period is stated, the advertised fees shall be so honored for 30 days or until the next scheduled publication, whichever is later.

Subpart 1. **Permissible duties.** As prescribed by Minnesota Statutes, section 150A.10, subdivision 3 of the act, dental technicians may only upon a written authorization prepared and signed by a licensed dentist, construct, alter, repair, relin, reproduce, or duplicate any prosthetic device or other structure to be used in the human mouth.

Subp. 2. **Written authorization forms.** A dentist may not use the services of a technician without written authorization, and a carbon copy thereof shall be on printed forms and shall include:

- A. the date and city where the authorization was issued;
- B. the name of the laboratory or technician to whom the authorization was issued;
- C. the name of the patient, or an identifying symbol;
- D. a description of the work authorized;
- E. the signature of the dentist in his actual handwriting; and
- F. the dentist's license number issued to him by the board.

Subp. 3. **Records and inspections.** A duplicate copy of each such written authorization issued by the dentist shall be retained by the dentist for not less than two years.

The original of each written authorization issued shall be retained by the technician or dental laboratory to whom it was issued for not less than two years.

The board or its agents may inspect the original and the duplicate copy of all written authorizations retained by either the dentist issuing the same, or the technician or dental laboratory to whom it was issued.

The board or its agents may inspect any devices being fabricated by a technician or dental laboratory, as well as the casts, impressions, interocclusal records, other materials sent to the technician or dental laboratory by the dentist, and the written authorization accompanying the same.
