3100.1400 APPLICATION FOR LICENSURE BY CREDENTIALS.

Any person who is already a licensed dentist or dental hygienist in another state or Canadian province desiring to be licensed to practice dentistry or dental hygiene in Minnesota shall, in order to demonstrate the person's knowledge of dental subjects and ability to practice dentistry or dental hygiene in Minnesota, comply with the requirements in items A to M.

A. The applicant shall complete an application furnished by the board.

[For text of item B, see M.R.]

C An applicant for licensure as a dentist must have been in active practice in another state, Canadian province, or United States government service for at least three of the four years prior to the board receiving a completed application and must submit at least three references from other practicing dentists.

[For text of items D to H, see M.R.]

I. In advance of the appearance required by item J, an applicant for licensure by credentials as a dentist shall submit complete records on a sample of patients treated by the applicant. The sample must be drawn from patients treated by the applicant during the five years preceding the date of application. The number of records requested of the applicant shall be established by resolution of the board. The records submitted shall be reasonably representative of the treatment typically provided by the applicant

J. An applicant must appear before the board and satisfactorily respond to questions designed to determine the applicant's knowledge of dental subjects and ability to practice dentistry or dental hygiene pursuant to Minnesota Statutes, section 150A.06, subdivision 4. Questions may be based on the records submitted pursuant to item I.

K. An applicant shall successfully complete an examination designed to test knowledge of Minnesota laws relating to the practice of dentistry and the rules of the board

L. If the board adopts simulated dental patient examinations as part of the application process, applicants shall complete simulated dental patient examinations designed to test their knowledge of dental subjects.

M. An applicant shall provide satisfactory evidence that during the five years preceding the date of application, the applicant has completed a minimum of five clinical hours of continuing dental education in the subject of infection control, including blood borne diseases. An applicant submitting an application after June 30, 1994, and before July 1, 1999, shall provide evidence of having completed one hour of education for each year after June 30, 1994.
