POLICIES

3525.0300 PROVISION OF FULL SERVICES.

All children and youth who are handicapped and who are eligible for special education services shall have access to free appropriate public education, as that term is defined by applicable law, suited to each child's individual needs including the special education appropriate to his or her development. All school districts shall provide for such education suitable to students' individual needs regardless of the severity of the child's mental, physical, or emotional disability, or other impairment or handicap. The responsibility of the school district is not diminished by the availability of nonpublic schools or other services which may be located within the district.

Statutory Authority: *MS s 120.17 subd 3*

3525.0400 LEAST RESTRICTIVE ALTERNATIVE.

To the extent that there are no detrimental effects, children who are handicapped shall be educated with children who do not have handicaps and shall attend regular classes. A handicapped person shall be removed from a regular educational program only when the nature or severity of the handicap is such that education in a regular educational program cannot be accomplished satisfactorily. Furthermore, there must be an indication that the person will be better served outside of the regular program. The needs of the person shall determine the type and amount of services needed.

Statutory Authority: *MS s 120.17 subd 3*

3525.0600 [Repealed, 8 SR 596]

3525.0700 PARENTAL INVOLVEMENT.

Parents of handicapped children have a right to be involved by the school district in the education decision-making process. Only by consistent and direct involvement of parents will the school receive sufficient input to design and implement an effective program for the handicapped student. Parents and schools are encouraged to cooperate in an open and objective manner, utilizing periodic conferences when possible so that formal hearings are necessary only when substantive disagreements exist between the parties.

Statutory Authority: *MS s 120.17 subd 3*

3525.0800 ACCOUNTABILITY FOR INSTRUCTION AND SERVICES.

As provided in Minnesota Statutes, section 120.17, subdivision 2, the district of residence is responsible for maintaining an appropriate program for all eligible handicapped persons regardless of the method or location of instruction utilized. However, if the handicapped person lives outside of his district of residence under the provisions of Minnesota Statutes, section 120.17, subdivisions 6 and 7, the district where the child lives is responsible for providing an appropriate program for the child as set forth in state statutes and parts 3525.0200 to 3525.4700 including the notice and hearing provisions. In such cases the district

of residence is responsible for assuming the cost of the educational program. If the districts do not agree on the tuition rate, either district may appeal to the commissioner as provided in Minnesota Statutes, section 120.17, subdivision 4. The district shall not purchase special educational services for a child from a public or private agency when such service is available or can be made available and can be more appropriately provided as the least restrictive alternative within the district. Whenever it is appropriate for a district to purchase special education service for children who are handicapped and who reside in the district, it continues to be the responsibility of the school district, consistent with the provisions of Minnesota Statutes and parts 3525.0200 to 3525.4700, to assure and ascertain that such children and youth receive the education and related services and rights to which they are entitled.

If the final decision is that its assessment is appropriate, the parents still have the right to an independent assessment, but not at public expense. Whenever an independent evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria which the district uses when it initiates an evaluation.

3525.3700 CONCILIATION CONFERENCE.

Subpart 1. When a conference must occur. When a conciliation conference must occur: if the parent does not object in writing, to a proposed action as set forth in parts 3525.2600 to 3525.2800 or part 3525.2900, subpart 5, within 14 days after receipt of the notice, and the proposed action is not an initial action as defined in part 3525.0200, subparts 7 and 8, the proposed action shall take place. The conference shall be held at a time and place mutually convenient to the parent and the school district representatives and shall be held within ten days after receipt of the written objection. There may be more than one such conference and the parent or district may request a hearing under part 3525.3800 at anytime after the first conciliation conference is convened.

If the parent refuses to provide prior written consent as set forth in parts 3525.3500, item D and 3525.3600, item B within ten days after the receipt of the notice and response form, the providing school district shall arrange for a conference with the parent for the purposes of reviewing the reasons for the proposed action, reviewing the parent's suggestions and concerns, and conciliating the matter. 3525.3800 WHEN A HEARING MUST BE HELD.

A hearing regarding a proposed action as set forth in parts 3525.2600 to 3525.2800 or part 3525.2900, subpart 5 shall be held whenever the providing district receives the parents' request for a hearing. This request must be in writing and must be made within seven days after the parents' receipt of the written memorandum pursuant to part 3525.3700, subpart 2. Provided, however, that no parent shall have a right to request a hearing unless at least one conciliation conference has been convened pursuant to part 3525.3700, subpart 1. A district shall conduct a hearing whenever a parent refuses to provide written permission for the initial formal assessment or the initial placement and provision of special education services, provided the district has made at least one attempt to obtain this written consent through at least one conciliation conference.

Statutory Authority: *MS s 120.17 subd 3*

3525.3900 NOTICE OF A HEARING.

Written notice of the time, date, and place of all hearings shall be given to all parties by the providing district at least ten days in advance of such hearings; and the hearing shall be held at a time, date, and place mutually convenient to all parties.

Within five days of receipt of the parent's written request for a hearing the providing school district shall serve the parent with a written notice of rights and procedures relative to the hearing which shall inform the parent:

A. That the hearing shall take place before an impartial hearing officer mutually agreed to by the school board and the parent. If the school board and parent are unable to agree on a hearing officer, the school board shall request the commissioner to appoint a hearing officer.

B. That they will receive notice of the time, date, and place of the hearing at least ten days in advance of the hearing which will be held within 30 days after the written request.

C. Inform the parents of the following rights and responsibilities:

(1) of their right to receive a list of persons who will testify on behalf of the district concerning the proposed action within five days of the date the district receives their written request for the list of persons testifying;

(2) of their responsibility, within five days after written request by the school district(s), to provide to the district(s) a list of persons who will testify on the parent's behalf concerning the proposed action;

(3) of their right, at least five days prior to the hearing, to receive from the providing or resident school district, a brief resume of "additional material allegations" referring to conduct, situations, or conditions which are discovered to be relevant and which were not contained in the original notice or memorandum; and that if such material allegations are not so disclosed, it shall be left to the discretion of the person conducting the hearing to determine if those material allegations may be introduced or considered.

D. That at the hearing the burden of proof is on the school district to show that the proposed action is justified on the basis of the child's educational needs or his or her current educational performance, or presenting handicapping conditions taking into account the presumption that placement in a regular public school class with special education services is preferable to removal from the regular classroom.

E. That the hearing officer will make a written decision based only on evidence received and introduced into the record at the hearing not more than 45 days from the receipt of the request for the hearing and that the proposed action will be upheld only upon showing by the school district by a preponderance of the evidence. A proposed action that would result in the child being removed from regular education program may be sustained only when, and to the extent

MINNESOTA RULES 1985

3525.3900 HANDICAPPED CHILDREN

2898

the nature or severity of the handicap is such that a regular education program would not be satisfactory and the child would be better served in an alternative program. Consideration of alternative educational programs must also be given.

F. That the decision of the hearing officer is binding on all parties unless appealed to the commissioner by the parent or the providing district.

G. That unless the district and parents agree otherwise, the student shall not be denied initial admission to school and that the student's education program shall not be changed, as long as the parents object to the proposed action in the manner prescribed by parts 3525.0200 to 3525.4700.

3525.4000 HEARING OFFICERS.

The hearing shall take place before an impartial hearing officer mutually agreed to by the school board and the parents. If the school board and the parent are unable to agree on a hearing officer, the school board shall request the commissioner to appoint a hearing officer. The hearing officer shall not be a school board member or employee of the school district where the child resides or of the child's school district of residence, an employee of any other public agency involved in the education or care of the child, or any person with a personal or professional interest which would conflict with his objectivity at the hearing. A person who otherwise qualifies as a hearing officer is not an employee of the district solely because the person is paid by the district to serve as a hearing officer. If a hearing officer requests an independent educational assessment of a child, the cost of the assessment shall be at district expense. All expenses of the hearing, except for the parents' and resident school district's attorney's fees or other expenses incidental to the parent or resident school district participation in the hearing, shall be paid by the providing school district.

D. such other information from the school district(s) or parent as the hearing officer may have requested at a prior date provided that a copy of such information is provided to all parties, and further provided that such information is made a part of the hearing record.

The provisions of items B and C need not apply when the hearing concerns a proposed action as set forth in parts 3525.2600 to 3525.2800.

Subp. 2. **Duties of hearing officers after receipt of the information.** Upon receipt of the information set forth in subpart 1, the hearing officer:

Statutory Authority: *MS s 120.17 subd 3*

3525.4200 HEARING RIGHTS OF THE RESPECTIVE PARTIES.

The hearing shall be closed unless the parents request an open hearing. The parties shall have the right to representatives of their own choosing, including legal counsel.

At a reasonable time prior to the hearing, the parent or their representative(s), as the case may be, shall be given access to all of the providing and resident school districts' records and such other records pertaining to the child that are authorized by law to be disclosed, including but not limited to all tests, evaluations, assessments, reports, and other written information concerning the educational assessment or reassessment, conducted pursuant to parts 3525.2600 to 3525.2800 upon which the proposed action may be based.

At least five days prior to the hearing the parents shall receive from the school districts, who are parties of the hearing, a brief resume of "additional material allegations" referring to conduct, situations, or conditions which are discovered and found to be relevant to the issues to be contested at the hearing and which are not contained in the original notice or memorandum provided pursuant to parts 3525.3200 to 3525.3600 or part 3525.3700, subpart 2. If such material allegation or information relating thereto are not so disclosed, it shall be left to the person conducting the hearing to determine if those material allegations may be introduced or considered. Within five days after the written request is received, any party shall receive from the other parties a list of witnesses who may be called to testify at the hearing. Such list must be filed with the person(s) conducting the hearing. Such lists may be modified at any time but each party should be notified immediately if possible. All parties or their representatives, as the case may be, shall have the right to request the attendance of any employee of the school district(s), or any other person who may have evidence relating to the proposed action, and to confront, and to cross examine any such witness. Any such request must be made to the appropriate school district or to the person whose attendance is requested at least five days in advance of the hearing. Such written requests shall also be filed with the person(s) conducting the hearing at the time of hearing.

If the person conducting the hearing determines at the conclusion of the hearing that there remain disputes of fact which, in the interest of fairness and the child's educational needs, require the testimony of additional witnesses, or if the hearing officer concludes that alternative educational programs and opportunities have not been sufficiently considered, he or she may continue the hearing for not more than ten days, for the purpose of obtaining the attendance of such witnesses or considering such alternative programs and opportunities. The parties' right to cross examination and confrontation and other applicable rights and procedures set forth herein shall continue and be given full force and effect.

Statutory Authority: *MS s 120.17 subd 3*

3525.4300 HEARING PROCEDURES.

The hearing officer shall preside over and conduct the hearing and shall rule on procedural and evidentiary matters, and his or her decision shall be based solely upon the evidence introduced and received into the record. The school district(s) shall bear the burden of proof as to all facts and as to grounds for the proposed action. One purpose of the hearing is to develop evidence of specific facts concerning the educational needs, current educational performance, or presenting handicapping conditions of the person as it relates to the need for the proposed action. Consistent with the rights and procedures set forth herein, nothing in these rules shall limit the right of the hearing officer to question witnesses or request information.

A tape recording, stenographic record, or other record of the hearing shall be made, and if an appeal is filed pursuant to parts 3525.4600 and 3525.4700, the hearing shall be transcribed by the providing school district and shall be accessible to the parties involved within five days of the filing of the appeal.

Statutory Authority: *MS s 120.17 subd 3*

3525.4400 THE DECISION OF THE HEARING OFFICER.

Subpart 1. **Preparation of written decision.** Not more than 45 days from the receipt of the request for a hearing, the hearing officer shall prepare a written decision based on evidence received and introduced into the record at the hearing. Such decision shall address itself to subparts 2 and 3.

Subp. 2. **Decisions regarding assessment or reassessment.** The hearing officer may sustain a proposed assessment or reassessment of the person as set forth in parts 3525.2600 to 3525.2800 upon a showing by the school district(s) by a preponderance of the evidence which demonstrates that there are facts, relating to the person's performance in his or her present education placement or presenting handicapping conditions, which indicate reasonable grounds to believe that the educational assessment or reassessment procedures are justified, as a step toward the possible initiation of or change in the person's educational placement or program, including special education services, which will provide an educational program, including special education services, appropriately suited to the person's needs.

Consistent with the standards, requirements, and principles set forth in statute and parts 3525.0200 to 3525.4700, the hearing officer shall have the authority, based on all the evidence received at the hearing, to modify the proposed assessment or reassessment instruments or procedures in order to ensure compliance with the requirement of nondiscrimination.

Subp. 3. **Decisions regarding educational placement.** Based on an application of the standards, requirements, and principles set forth in Minnesota Statutes, section 120.17, subdivision 3a, and in parts 3525.0200 to 3525.4700, the proposed action regarding the person's educational placement or special education services as set forth in part 3525.2900, subpart 3 shall be sustained in whole or in part by the hearing officer only upon a showing of need by the school district(s) by a preponderance of the evidence. In deciding if the proposed action is to be sustained, in whole or part, the educational needs of the child shall be determinative. However, there shall be a presumption that among alternative programs of education, that to the maximum extent appropriate, a primary placement in a regular public school class and program with appropriate special education services, is preferable to removal from the regular classroom.

The hearing officer may sustain a proposed action that would result in the child being removed from a regular education program only when, and to the extent that, the nature or severity of the handicap is such that education in the program with the use of special education services cannot be accomplished satisfactorily, and there is indication that the child will be better served with an alternative program or services. This decision shall be made in accordance with

MINNESOTA RULES 1985

2901

HANDICAPPED CHILDREN 3525.4600

the principle of least restrictive alternatives. The hearing officer shall also determine whether the school district(s) sufficiently considered alternative educational programs including special education services and opportunities and at the hearing, may receive any additional evidence presented by any interested party or person as to the availability and suitability of reasonable and viable educational alternatives. If the hearing officer concludes that there are no reasonable or viable educational alternatives the findings shall so state.

Subp. 4. Local decisions. All local decisions shall:

A. contain written findings of fact, and conclusions of law, including a statement of the controlling facts upon which the decision is made in sufficient detail to appraise the parties and the commissioner of the basis and reason for the decision;

B. state whether the special education services appropriate to the child's needs can be reasonably provided within the resources available to the providing district;

Statutory Authority: *MS s 120.17 subd 3*

3525.4600 EFFECTIVE DATE OF THE ACTION AND APPEALS.

The decision of the hearing officer shall be binding on all parties unless appealed to the commissioner by the parent or the school board where the child resides; and shall become effective 15 days after service of the decision unless the decision is appealed. The hearing officer's decision issued pursuant to part 3525.4400, subpart 2, 3, or 4, may be appealed by the parent or the school board where the child resides to the commissioner of education within 15 days of receipt of that written decision(s) in the following manner: the appeal decision shall be based on a review of the local decision(s) and the entire record; all notices of appeal shall be on the appeal form or otherwise in writing and shall be sent by mail to all parties to the hearing at the time the appeal is filed.

The school board shall be a party to any appeal. The commissioner shall issue a final decision based on a review of the local decision(s) and the entire records within 30 calendar days after the filing of the appeal. A written transcript of the hearing shall be made by the district; the transcript and entire record shall be accessible to the parties and provided to the commissioner within five calendar days after the filing of the appeal. If the transcript and record are not provided to the commissioner within five days of the filing of the appeal, the district shall request an extension of the time beyond the 30-day period equal to the number of days which exceeded the five-day period for filing the transcript and entire record. The commissioner shall seek additional evidence if necessary and may afford the parties an opportunity for written or oral argument; provided any hearing held to seek additional evidence shall be impartial due process hearing but shall be deemed not to be a contested case hearing. The commissioner may grant specific extensions of time beyond the 30-day period at the request of any party.

Statutory Authority: *MS s 120.17 subd 3*

3525.6900 NOTICE OF THE HEARING.

Written notice of the time, date, and place of all hearings shall be given to all parties by the state residential schools at least 14 days in advance of such hearings; and the hearing shall be held at a time, date, and place mutually convenient to all parties.

Within seven days of receipt of the parent's written request for a hearing, the state residential schools shall serve the parties with a written notice of rights and procedures relative to the hearing which shall inform the parent:

A. That the hearing shall take place before an impartial hearing officer appointed by the commissioner.

B. That they will receive notice of time, date, and place of the hearing 14 days in advance of the hearing which will be held within 30 days after the written request.

C. Of the hearing rights of the respective parties including the following:

(1) The hearing shall be closed unless the parent requests an open hearing.

(2) The parties shall have the right to representatives of their own choosing, including legal counsel in preparation of and at the hearing. The state residential schools shall inform the parent of any free or low cost legal or relevant services available in the area.

(3) Not less than seven days prior to the hearing, the parent or his/her representative(s), as the case may be, shall be given access to all of the state residential schools' records and such other records pertaining to the child that are authorized to be disclosed, including but not limited to all tests, evaluations, assessments, reports, and other written information concerning the educational assessment or reassessment upon which the proposed action may be based.

(4) At least seven calendar days prior to the hearing the parent shall receive from the state residential schools a brief resume of additional material allegations referring to conduct, situations, or conditions which are discovered and found to be relevant to the issues to be contested at the hearing and which are not contained in the original notice or memorandum provided pursuant to parts 3525.6000 to 3525.6500 or part 3525.6700. If such material allegations or information relating thereto are not so disclosed, it shall be left to

MINNESOTA RULES 1985

2915

the person conducting the hearing to determine if those material allegations may be introduced or considered.

(5) Within seven days after written request any party shall receive from the other parties a list of witnesses who may be called to testify at the hearing. Such list shall be filed with the person(s) conducting the hearing. Such lists may be modified at any time but each party shall be notified if modification occurs.

(6) All parties or their representatives, as the case may be, shall have the right to request the attendance of any employee of the state residential schools, resident school district, or any other person who may have evidence relating to the proposed action, and to confront, and to cross-examine any such witness. Any such request shall be made to the state residential schools, and to the person whose attendance is requested at least seven days in advance of the hearing. Such written requests shall also be filed with the hearing officer at the time of hearing.

(7) The parent shall have the right to call his/her own witnesses and to present evidence, including expert medical, psychological, and educational testimony and relevant records, tests, assessments, reports, or other information.

(8) All parties shall have the right to confront and cross-examine witnesses.

(9) If the person conducting the hearing determines at the conclusion of the hearing that there remain disputes of fact which, in the interest of fairness and the child's educational needs, require the testimony of additional witnesses, or if the hearing officer concludes that alternative educational programs and opportunities have not been sufficiently considered, he or she may continue the hearing for not more than 14 days, for the purpose of obtaining the attendance of such witnesses or considering such alternative programs and opportunities. The parties' right to cross-examination and confrontation and other applicable rights and procedures set forth herein shall continue and be given full force and effect.

D. That at the hearing the burden of proof is on the state residential schools to show that the proposed action is justified on the basis of the student's educational needs or his/her current educational performance, or presenting handicapping conditions taking into account the presumption that placement in a regular public school class with special education services is preferable to removal from the regular classroom.

E. That a record shall be kept of the hearing and a copy of the transcribed record shall be available to the parent, upon request, at the cost of the copy.

F. That the hearing officer shall make a written decision based only on evidence received and introduced into the record at the hearing. Such decisions shall be rendered not more than 45 days from the receipt of the request for the hearing. The proposed action will be upheld only upon showing by the state residential schools of a preponderance of the evidence. A proposed action that would result in the child being removed from a regular education program may be sustained only when and to the extent the nature or severity of the handicap is such that a regular education program would not be satisfactory and the child would be better served in an alternative program. Consideration of alternative regular educational programs shall also be given.

G. That the decision of the hearing officer is binding on all parties.

H. That pending the decision, the student's education program shall not be changed unless the parent and the parties agree otherwise.

I. That the parent has the right to have the child present at the hearing.

J. That the parent shall receive a copy of the hearing officer's written findings, conclusion, and decision.

3525.7000 HEARING OFFICERS.

The hearing shall take place before an impartial hearing officer appointed by the commissioner. The hearing officer shall not be a member of the State Board of Education, State Department of Education, an employee of either the student's resident school district or the state residential schools, or any person with a personal or professional interest which would conflict with his objectivity at the hearing. If a hearing officer requests an independent educational assessment of a child, the cost of the assessment shall be at state residential schools' expense. All expenses of the hearing, except for the parent's and resident school district's attorney's fees; the cost of a copy of the record of the hearing if requested by the parent; or other expenses incidental to the parent's, child's, or resident school district's participation in the hearing, shall be paid by the state residential schools.

The hearing officer shall be empowered to subpoena any persons or papers he/she deems necessary for an adequate review of the appropriateness of the proposed action which is the subject of the hearing.

3525.7300 EVIDENCE AT THE HEARING.

As appropriate to the pending matter, the hearing officer shall consider evidence related to:

A. The state residential schools' decision to deny admission to the student for the purpose of providing an educational program. The state residential schools shall demonstrate by a preponderance of the evidence that based upon the schools' determination an appropriate individual educational program plan cannot be developed by the state residential schools.

B. The state residential schools' proposal to assess or reassess or refusal to assess or reassess as set forth in part 3525.5700. The state residential schools shall demonstrate by a preponderance of the evidence that the educational assessment or reassessment is justified as a step toward the possible initiation of or change in the student's educational placement or provision of services; or the state residential schools shall demonstrate by a preponderance of the evidence that refusal to assess or reassess is justified by the proximity in time, appropriateness, and adequacy of the most recent assessment or reassessment.

C. The state residential schools' proposal to initiate or refusal to initiate services as set out in the student's individual educational program plan. The state residential schools shall demonstrate by a preponderance of the evidence that the proposed action is consistent with the current educational needs of the student.

3525.7400 THE DECISION OF THE HEARING OFFICER.

Subpart 1. **Written decision within 45 days.** Not more than 45 days from the receipt of the request for a hearing, except where extensions of time have been granted and then at a time not to exceed 45 days plus the number of days added by the extensions, the hearing officer shall prepare a written decision based on evidence received and introduced into the record at the hearing. Such decision shall address itself to the following.

Subp. 2. **Decisions regarding admission.** The hearing officer shall sustain the decision to deny admission of the student to the state residential schools upon a showing by the state residential schools by a preponderance of evidence that an appropriate individual educational program plan cannot be developed by the state residential schools.

Subp. 3. **Decisions regarding assessment or reassessment.** Decisions regarding assessment or reassessment:

A. the hearing officer shall sustain a proposed assessment or reassessment of the student as set forth in part 3525.5700 upon showing by the state residential schools by a preponderance of the evidence which demonstrates that there are facts, relating to the student's performance in his/her present education placement or presenting handicapping conditions, which indicate reasonable grounds to believe that the educational assessment or reassessment procedures are justified as a step toward the possible initiation of or change in the student's educational placement or program, including special education services, which will provide an educational program appropriately suited to the student's needs;

B. the hearing officer shall sustain the refusal to assess or reassess upon a showing by the state residential schools by a preponderance of evidence which demonstrates that there are facts which indicate reasonable grounds to believe that there has been recent and adequate assessment or reassessment of the student by qualified professionals; and

C. consistent with the standards, requirements, and principles set forth in statute and parts 3525.4800 to 3525.7500, the hearing officer shall have the authority, based on all the evidence received at the hearing, to modify the proposed assessment or reassessment procedures in order to insure compliance with the requirement of nondiscrimination.

Subp. 4. **Decisions regarding individual educational program.** Decisions regarding individual educational program plan:

A. In deciding if the proposed action is to be sustained, in whole or part, the educational needs of the student shall be determinative. However, there shall be a presumption that among alternative programs of education, that to the maximum extent appropriate, a primary placement in a regular public school class and program with appropriate special education services, is preferable to removal from the regular classroom.

B. The hearing officer shall sustain the individual educational program plan of the state residential schools upon a showing by the state residential schools by a preponderance of evidence that the student's individual educational program plan represents educational services appropriate to the student's educational needs in the least restrictive alternative. This decision shall be made in accordance with the principle of least restrictive alternative.

Subp. 5. **Decisions regarding transfer.** The hearing officer shall sustain the decision to transfer the student from placement at the state residential schools upon a showing by the state residential schools by a preponderance of evidence that the appropriate program for the student in the least restrictive alternative is no longer placement at the state residential schools.

Subp. 6. **Content of the decision.** All hearing officer decisions shall:

MINNESOTA RULES 1985

2919

HANDICAPPED CHILDREN 3525.7500

A. contain written findings of fact, and conclusions of law, including a statement of the controlling facts upon which the decision is made in sufficient detail to appraise the parties on the basis and reason for the decision;
