NOTE: This chapter is repealed effective July 1, 1995. See Laws 1993, chapter 224, article 12, sections 39 and 41.

**3560.0010 DEFINITIONS.**

Subpart 1. **Scope.** The definitions in this part apply to this chapter.

Subp. 2. **Commissioner.** "Commissioner" means the commissioner of education or the commissioner's designee.

Subp. 3. **DARC.** "DARC" means the data acquisition review committee of the Department of Education.

Subp. 4. **Department.** "Department" means the Department of Education unless otherwise specifically identified.

Subp. 5. **District.** "District" has the meaning given in Minnesota Statutes, section 121.93, subdivision 2.

Subp. 6. **ESV computer council.** "ESV computer council" has the meaning given in Minnesota Statutes, section 121.93, subdivision 5.

Subp. 7. **ESV regional computer center.** "ESV regional computer center" means a governmental unit formed by a joint powers agreement entered into by school districts to provide computer and related services to its affiliated school districts.

ESV regional computer center, regional management information center, and regional computer center are synonymous terms.

Subp. 8. **ESV-IS.** "ESV-IS" has the meaning given in Minnesota Statutes, section 121.93, subdivision 3.

Subp. 9. **SDE-IS.** "SDE-IS" has the meaning given in Minnesota Statutes, section 121.93, subdivision 4.

Subp. 10. **State board.** "State board" means the State Board of Education or its designee.

**Statutory Authority:** *MS s 121.931*

**History:** *14 SR 518*

**3560.0020 DATA STANDARDS.**

Subpart 1. **Criteria.** The data standards referred to in this part cover only data submitted to the commissioner or state board by a district or an ESV computer center on behalf of its affiliated districts or itself. The data must conform to the data standards established in the data element dictionary published by the department. To be included in the data element dictionary, a data element must meet one of the following criteria:

A. The data element is used in the ESV-IS or the SDE-IS data bases, or the list of essential data elements that the department maintains according to Minnesota Statutes, section 121.932, subdivision 5.

B. A financial or property data element is established through the Uniform Financial Accounting and Reporting Standards (UFARS).

C. A student, personnel/payroll, curriculum, and other data element is individually defined. The definition also includes the standard name, computer program name, system descriptors, values, and transaction methodology when appropriate.

Subp. 2. **Review criteria.** To be included in the Annual Data Acquisition Calendar (ADAC), data elements must be formatted into a form or another type of data collection instrument used to collect data from districts or regional computer centers. They must then be

reviewed by DARC, which recommends approval or disapproval to the commissioner. The recommendation by DARC and the decision of the commissioner must be based on one of the following criteria:

- (1) the data element is required by federal or state law or state board rule;
- (2) the data element is required to calculate and distribute aids and levies or to distribute other funds;
- (3) the data element is used to make program decisions in the management of the department;
- (4) the data element is used to monitor compliance to statute or state board rule; or
- (5) the data element is used to conduct research or analyze policy as approved by the commissioner.

**Statutory Authority:** *MS s 121.931*

**History:** *14 SR 518*

### 3560.0030 CREATION OF MANAGEMENT INFORMATION CENTERS.

**Subpart 1. District board resolutions.** Whenever two or more districts decide, by resolution of their respective boards, to establish a regional management information center, the center will come into existence according to Minnesota Statutes, section 121.935, subdivision 1.

**Subp. 2. Approval criteria.** After review and recommendation by the ESV computer council, the state board must approve the creation of a new regional computer center and its effective date if:

A. [Repealed, L 1991 c 265 art 9 s 75]

B. the proposed regional center has acquired, or will acquire subject to approval of the proposal by the state board, computer and related equipment that has demonstrated its capability to process the ESV-IS or an approved alternative management information system and has demonstrated it is able to assemble and transmit the essential data elements to the department as required in Minnesota Statutes, section 121.932, subdivision 5; if any of the districts include a technical college, then the ESV-IS must include the fixed assets property management information systems for technical colleges;

C. the proposed regional center has developed a disaster recovery plan;

D. the proposed regional center has established a management plan that includes:

- (1) the organizational structure of the board of directors;
- (2) the administrative, technical operations, field service, office support, and district training staff necessary to operate the center; and
- (3) the type, level, and amount of services provided directly to affiliated districts and provided by other organizations if the regional center does not provide the required ESV-IS service; and

E. the cost of computer systems and staff services received by the districts in the new region, in total, is not greater than the cost for the same or equivalent computer systems and staff services in the region of disaffiliation.

**Subp. 3. Notice.** Notice of intent to establish a new regional management information center must be served on the board of directors of regions with disaffiliating districts, the commissioner, the state board, and the ESV computer council at least one year before July 1 of the proposed effective year of establishment, unless the regions with disaffiliating districts and the state board agree to waive the July 1 date as provided by Minnesota Statutes, section 121.935, subdivision 1.

**Subp. 4.** [Repealed, L 1991 c 265 art 9 s 75]

**Subp. 5.** [Repealed, L 1991 c 265 art 9 s 75]

### 3560.0050 ALTERNATIVE FINANCIAL MANAGEMENT INFORMATION SYSTEMS.

**Subpart 1. Council review.** An alternative financial management system proposed for use by a district must be reviewed by the ESV computer council and approved by the state board before purchase, lease, or use.

**Subp. 2. Approval criteria.** After review and recommendation by the ESV computer council, the state board must approve the use of an alternative financial management information system if:

A. The vendor of the alternative financial management information system has applied to the department, the UFARS council, and the ESV computer council, and has received approval from the state board to market the alternative financial management system to Minnesota districts. The decision to approve the alternative financial management information system must be given if the alternative system meets the following requirements:

(1) The system must provide an accounting function based on generally accepted accounting principles with a double entry (debit/credit), modified accrual accounting system. It must meet the requirements in Minnesota law and in the Uniform Financial Accounting and Reporting Standards (UFARS).

(2) The system must allow for multidimensional coding.

(3) The system must allow the use of encumbrances.

(4) The system must allow period-end and year-end processing.

(5) The system must allow users to configure the system to the individual district.

(6) The system must produce Government Accounting and Auditing Financial Reports (GAAFR).

B. The district has made application to the department, the ESV computer council, and the ESV regional computer center to use an alternative financial management information system. The application must contain the following information:

(1) vendor name, address, and system identification;

(2) a list of computer and related equipment and software that will be used to operate the system;

(3) purchase cost and annual operational costs of computer equipment, computer software, application software, district staff, and other cost items required to operate the system;

(4) a list of benefits, financial and other, that the district expects to realize as a result of using the alternative system;

(5) continuing cost to the district of services received from the ESV regional computer center to comply with state reporting requirements; and

(6) certification by the vendor that any changes made to the logic or structure of the software are consistent with item A.

C. The ESV computer council has reviewed the application submitted under subpart 2, item A or B, and recommends to the state board that the application conforms to the current "Long Range Plan for the Elementary, Secondary, and Vocational (ESV) Information System" adopted by the state board.

**Subp. 3. Annual report.** Any district using an alternative management information system must annually report to its regional computer center and to the ESV computer council

the name of the system, the vendor, and any changes made to the structure or logic of the software.
