

CHAPTER 4155
DEPARTMENT OF PUBLIC SERVICE
THERMAL INSULATION STANDARDS

4155 0130 INSULATION MATERIALS
STANDARDS

4155.0130 INSULATION MATERIALS STANDARDS.

[For text of subpart 1, see M.R. 1987]

Subp. 2. General testing and reporting requirements. General testing and reporting requirements for regulated thermal insulation materials in this part are as follows:

A. All regulated thermal insulation materials shall be tested for compliance with the standards in this part within 120 days of the effective date of this chapter. Testing procedures are as follows:

(1) Testing must be performed at least every other year. The testing must be completed by June 1 of every even numbered year.

[For text of subp 2, item A, subitems (2) to (6), see M.R. 1987]

[For text of subp 2, items B to D, see M.R. 1987]

Subp. 3. Cellulose fiber in loose fill form. The following requirements apply to cellulose fiber in loose fill form:

[For text of subp 3, item A, see M.R. 1987]

B. All manufacturers shall contract with an independent NVLAP approved laboratory for the following two purposes:

(1) The laboratory shall pick up three unopened bags of manufacturer's cellulose from the marketplace for testing under this chapter.

[For text of subp 3, item B, subitem (2), see M.R. 1987]

[For text of subp 3, item C, see M.R. 1987]

[For text of subps 4 to 15, see M.R. 1987]
