4735.0020 COUNTY BOARDS OF HEALTH.

Subpart 1. **Quarterly reports.** The several county health officers shall make quarterly reports to the Minnesota State Board of Health as to the general sanitary condition of their counties, such reports bearing especially upon matters relating to communicable diseases. Special attention must be given to the reporting of rabies and glanders.

Subp. 2. **Notice of epidemics.** The several county health officers shall keep close watch over apparent epidemic or endemic diseases existing within their jurisdiction, and if a question arises as to the proper care of such diseases, they shall notify the secretary of the State Board of Health in order that an investigation may be made.

Subp. 3. **Reporting of birth and death.** If a county health officer has knowledge or a reasonable belief that the returns of births and deaths for his county are not being made as required by law, he shall immediately report such fact or suspicion to the secretary of the State Board of Health.

Subp. 4. **Note condition of slaughterhouses.** The several county health officers shall note the condition of slaughterhouses, rendering establishments, starch factories, and paper mills within their jurisdiction, and shall report such conditions to the secretary of the State Board of Health from time to time, as necessary, or upon the request of said secretary.

Subp. 5. **Notice of sanitary regulation.** County boards of health shall at all times bring to the attention of the secretary of the State Board of Health any conditions which they may deem in need of sanitary regulation.

Subp. 6. **Conferences.** The county health officers shall assemble at the call of the Minnesota State Board of Health once a year to discuss general sanitary problems and to present at such conferences the special sanitary needs of their individual districts.
