4830.7800 REFUNDS.

If a recipient fails to enroll or reduces enrollment, the school must refund the unused portion of the award to the non-AFDC child care grant program. If the director determines that a school has fraudulently handled grant money, the refund of the unused portion of the award is immediately due to the office, and the office may institute a civil action for recovery if necessary. Refunds to the non-AFDC child care grant program are determined as follows:

A. calculate the percentage that the child care grant award represents of the student's total financial aid package for the applicable term, excluding funds received from federal Title IV programs, United States Code, title 20, chapter 28, sections 1070 to 1099c-1;

B. calculate the total tuition refund amount using the refund calculation required of schools participating in federal Title IV programs, United States Code, title 20, chapter 28, sections 1070 to 1099C-1,
