#### 4850.0012 SCHOOL AGREEMENTS AND STUDENT APPLICATIONS.

Subpart 1. **Institutional loan participation agreement.** The eligible school and the director must sign a loan participation agreement that will

A. state the eligible school's responsibility for proper certification and delivery of loans to students; and

B. name a representative of the eligible school who is to be responsible for the administration of the agreement.

Subp. 2. **Termination.** The director may terminate the agreement with an eligible school upon determining that the school is not complying with the rules in parts 4850.0010 to 4850.0018. All obligations of the school under the agreement shall continue in full force and effect with respect to all SELF loans then outstanding to students of the school.

Subp. 3. **Application and promissory note.** The student shall follow the appropriate SELF application process used at the eligible school. The student shall deliver or mail the application and promissory note to the cosigner who shall complete the cosigner's portion of the application and promissory note and deliver or mail them to the director. The director will check the application and promissory note for completeness, determine the eligibility of the applicant, and conduct a credit check of the borrower and the cosigner. If the director approves the loan application, the document file is forwarded to the servicer. The servicer shall prepare and mail a disclosure statement to the borrower and cosigner, advise the school of the loan approval, schedule disbursements, and place the document file in permanent storage. If the director rejects the loan application, the applicant and the cosigner must be advised in writing of the decision and the reasons for the rejection.

#### 4850.0014 AMOUNT AND TERMS.

*[For text of subpart 1, see M.R.]*

Subp. 2. **Two loans in one year.**

A. A student may borrow more than once in the same academic year as long as:

- (1) eligibility remains;
- (2) the annual borrowing maximum is not exceeded; and
- (3) the amount approved is at least \$500.

B. A student may borrow the annual maximum twice in the same grade level, as long as:

- (1) a total of 11 months elapses from the beginning of the first loan period to the beginning of the second loan period; and
- (2) the cumulative loan debt maximum for that grade level is not exceeded.

C. A student who advances a grade level in the middle of an academic year may borrow at that new grade level, as long as.

- (1) there is no more than one month overlap of loan period; and

(2) the cumulative loan debt maximum for that new grade level is not exceeded.

**Subp. 3. Interest rate.** For loans made from the SELF I bonds, the interest rate on the loan must be fixed by the director at a margin in excess of the "index rate" on the bonds. If the bonds bear interest at more than one rate at any one time, the "index rate" will be the weighted average of the interest rates. The "index rate" may change on Thursday of each week. If the "index rate" increases or decreases, the interest rate on the loan increases or decreases automatically on the same day without notice to the borrower. If the director determines that the margin does not reflect the costs of the SELF program, the director must increase or decrease the margin. The director shall advise borrowers of changes in the margin.

For loans made from sources other than the SELF I bonds, the interest rate on the loan will be determined by the director at a margin in excess of the "index rate." The "index rate" is the average rounded to the nearest quarter of one percent of the bond equivalent yield, for auctions of 13 week treasury bills, during the preceding calendar quarter. If the index rate increases or decreases, the interest rate on the loan automatically increases or decreases on the same day without notice to the borrower. The interest rate on the loan cannot increase or decrease more than two percentage points over any four consecutive calendar quarters. The director shall set the margin to reflect the costs of the SELF program. If the director determines that the margin does not reflect the costs of the SELF program, the director must increase or decrease the margin. The director shall advise borrowers of changes in the margin.

#### **4850.0015 LOAN DISBURSEMENTS.**

**Subpart 1 Disbursement scheduling.** Checks must be jointly payable to the borrower and the eligible school. If the loan period covers more than one academic or payment period, the loan must be disbursed in installments during each academic or payment period. (For example, if an eligible school's academic year is divided by quarters, the student's loan amount may be disbursed in three installments, once each quarter.) Disbursements must be made at the beginning of each academic term, unless the director requires or the school suggests other more appropriate dates.

**Subp. 2. Disbursement when loan proceeds arrive before loan period.** Loan proceeds must not be disbursed to the student before the start of the loan period. The school must verify the student's enrollment and that the student meets satisfactory academic progress requirements. If the loan proceeds are in the form of a check, the school must deliver the check to the student for endorsement. The check must then be endorsed by the school. If the loan proceeds have been transferred to the school by electronic funds transfer, the school must have the student sign a document indicating that the loan proceeds have been received and accepted by the student. In the case of either a check or an electronic funds transfer, the school must next subtract from the loan proceeds the amount owed to it for the payment period, and make arrangements with the student for the use of any remaining proceeds. The remaining proceeds may be returned to the student or retained on account at the election of the student. The school may not keep on account any more money than it charges for that payment period without the written permission of the student.

**Subp. 3. Disbursement when loan proceeds arrive during loan period.** When the loan proceeds arrive during the loan period, the school must verify the student's enrollment and that the student meets satisfactory academic progress requirements. If the loan proceeds are in the form of a check, the school shall endorse the check along with the student, subtract from the proceeds that amount owed to it for the payment period, and make arrangements with the student for the use of any remaining proceeds. If the loan proceeds arrive at the school by electronic funds transfer, the school must have the student sign a document indicating that the loan proceeds have been received and accepted by the student. The school must next subtract from the proceeds the amount owed to it for the payment period and make arrangements with the student for the use of any remaining proceeds. In either case, the student has the same options for receiving any remaining proceeds as described in subpart 2. If the student is on a school approved leave of absence when the loan proceeds arrive and is scheduled to return within 30 days from the date on the check or the date of the electronic funds

transfer, the school may hold the loan proceeds until the student returns. If the student fails to return or does not show up for disbursement, the loan proceeds must be returned to the director within 30 days from the date on the check or the date of the electronic funds-transfer, whichever is applicable.

**Subp. 4. Disbursement when loan proceeds arrive after loan period.** When the loan proceeds arrive after the loan period, the school must verify the student's enrollment and that the student meets satisfactory academic progress requirements. If the loan proceeds are in the form of a check, the school may endorse the check along with the student within 30 days from the end of the loan period, subtract from the proceeds that amount owed to it for the payment period, and make arrangements with the student for use of any remaining proceeds. If the loan proceeds arrive at the school by electronic funds transfer, the school must have the student sign a document indicating that the loan proceeds have been received within 30 days of the end of the loan period and accepted by the student. The school must next subtract from the proceeds the amount owed to it for the payment period and make arrangements with the student for the use of any remaining proceeds. In either case, the student has the same options for receiving any remaining proceeds as described in subpart 2. If the loan proceeds arrive more than 30 days after the end of the loan period, the school must return the loan proceeds to the director.

#### **4850.0016 NONENROLLMENT, TRANSFER, AND WITHDRAWAL.**

**Subpart 1. Nonenrollment.** A school shall return a payment to the director for a student who fails to enroll within 30 days of the payment date

**Subp. 2. Withdrawal and transfer to another eligible school.** If the student fails to complete the loan period at the school where the loan application was certified and transfers to another eligible school, any remaining scheduled disbursements must be canceled. The school must immediately notify the director of any borrower who withdraws for any purpose. The student may apply for any remaining loan eligibility at the other eligible school, assuming the amount approved is at least \$500.

**Subp. 3. Withdrawal.** In the event that a borrower, for any reason, fails to complete a loan period, withdraws, and the school calculates a SELF refund for the borrower, that refund must be returned to the office for the SELF loan program within 45 days of the date the school becomes aware of the withdrawal. Refunds to the office are determined by items A and B.

A. Determine the percentage that the SELF loan represents of the student's total financial aid package for the applicable term.

B. Multiply that percentage by the amount determined to be refunded to the student under the school's refund policy. The result yields the amount to be refunded to the office.

**Subp. 4. Reduction of enrollment to less than half-time status.** The school shall notify the director immediately when a student reduces enrollment below a half-time status, but remains enrolled. Such a student shall be permitted to remain in an in-school repayment period for no more than six months including normal school vacation periods before the transition period begins.

**Statutory Authority:** *MS s 136A.01*

**History:** *20 SR 2214*

#### **4850.0017 REPAYMENT PROCEDURES.**

Borrowers or cosigners shall make payments of principal and interest according to the following schedule:

A. During the in-school period, the office or its agent shall bill borrowers for accrued interest once during each calendar quarter.

B. During the transition period, the office or its agent shall bill borrowers for accrued interest once during each calendar month

C. During the repayment period, the office or its agent shall bill borrowers for accrued interest and principal once during each calendar month. The interest rate may vary

throughout the period. The sum of the monthly payments must equal the sum of accrued interest plus principal. The monthly payments of principal must be in amounts calculated at the beginning of the repayment period as if two conditions existed. The two conditions are: (1) interest on the loan accrues at a fixed rate equal to the interest rate in effect at the time of the calculation and (2) the loan is payable over its term in equal monthly installments. The borrower must pay a total of at least \$600 each year on all of the borrower's SELF loans. If the borrower's spouse also has SELF loans, their combined annual payments on all SELF loans must be at least \$600.

D. Late charges must be billed to the borrower on the 30-day delinquent letter mailed by the office or its agent and are due and payable immediately.

E. Interest payments during the in-school period that are delinquent in excess of 120 days from the billing date must be capitalized. Capitalization of past due interest must be limited to two occasions before filing a claim.

F. A prepayment penalty must not be assessed against borrowers who elect to make unscheduled payments of loan principal.

G. The director shall grant forbearances in those instances when the borrower experiences hardship in making payments of principal and/or interest, and when the cosigner has either died, become temporarily or permanently disabled, or for some other reason, such as unemployment or limited fixed income, demonstrated an inability to make payment. Such a forbearance shall be granted upon receipt of written documentation from the borrower and the cosigner relating to the unemployment or similar financial hardship case and is limited to 120 days, renewable upon further documentation for another 120 days. However, the borrower or cosigner must make at least three full payments before the forbearance is renewed.

H. Upon request, the director shall provide borrowers and cosigners with an annual statement of outstanding principal and interest paid during the previous calendar year.

**Statutory Authority:** *MS s 136A.01*

**History:** *20 SR 2214*

#### **4850.0018 CLAIMS.**

Subpart 1. **When filed.** If after exercising due diligence, and after 120 days from the billing date the director fails to collect a payment from a borrower or the cosigner, a claim must be filed to the bad debt reserve by the director for the outstanding principal of the loan plus accrued interest.

Subp. 2. **When paid.** Claims are paid in four categories:

A. A claim for death of the borrower must be filed by the director upon receipt of a death certificate. The cosigner's obligation to make any further payment of principal and interest or both on a SELF loan is canceled as of the date of death.

B. If the borrower becomes totally and permanently disabled, a claim must be filed by the director upon receipt of proper medical documentation. The cosigner's obligation to make any further payment of principal and interest on a SELF loan is canceled as of the date of medical documentation.

C. If a borrower or cosigner fails to perform any of the conditions of the promissory note, a claim must be filed by the director.

D. If a borrower is adjudicated bankrupt and has liability for the SELF loan discharged, the cosigner remains liable for unpaid principal and interest. If the cosigner fails to perform any of the conditions of the promissory note, the director shall file a claim.
