5605.0100 CONTINUING EDUCATION CYCLES.

During three-year cycles, each physician licensed to practice by this board shall obtain 75 hours of continuing medical education credit as required by this chapter.

Statutory Authority: *MS s 214.12*

History: 8 SR 2573

5605.0200 LICENSEE CLASSES.

Subpart 1. Establishment. For the purpose of administering this chapter, each individual initially licensed on or after June 4, 1984, commences his or her first three-year cycle on January 1 following the date of initial licensure. After January 1, 1991, the cycle of an individual starting a new three-year cycle will start on the first day of the individual's month of birth. The first three-year cycle of an individual initially licensed after January 1, 1991, will start on the first day of the individual's month of birth. Future cycles will run consecutively from that point. After January 1, 1991, continuing medical education taken between the expiration date of an individual's three-year cycle and the first day of the individual's birth month starting a new three-year cycle may be credited towards this first new three-year cycle. Continuing medical education taken between the date of initial licensure and the first day of the individual's month of birth following the date of initial licensure may be credited towards the first cycle after January 1, 1991.

Those individuals assigned three-year reporting prior to June 4, 1984, shall remain in their assigned reporting cycle.

D. Category 4. No more than 20 hours of credit may be obtained in any cycle for papers, publications, books, lectures, and exhibits.

(1) Papers, publications, and books. Ten hours of credit shall be granted for a scientific paper or book chapter published in a scholarly medical journal or book.

(2) Lectures. An hour of credit shall be granted for each hour spent lecturing at a course which would qualify for approval under these rules.

(3) Exhibits and nonpublished papers. Ten hours of credit shall be granted for a paper or exhibit presented before a professional medical or allied health audience. Credit may be claimed only once for each scientific material presented.

E. Category 5. No more than 20 hours of credit may be obtained by engaging in professional reading, peer patient care review activities, self-assessment examinations sponsored by a professional organization recognized by the board as maintaining a significant level of quality control, and preparation for certification or recertification examinations administered by a national specialty board.

5605.0400 APPROVAL OF COURSES FOR CREDIT.

Subpart 1. **Application.** Persons or organizations intending to offer courses for continuing education credit not included under part 5605.0500, item F, may apply to the board in advance for approval. Any person or organization may submit a course for approval by the board.

Subp. 2. **Information required.** The following information shall be provided to the board, as well as any other information which the board may reasonably require for the purpose of evaluating the course for which approval is sought.

A. the name and address of the organization sponsoring the course;

B. a detailed description of the course content including a time schedule for the course;

C. the name of each instructor or person making a presentation and his or her credentials; and

D. the location including the name and address of the facility at which the course will be conducted.

5605.0500 CATEGORY 1 CREDIT.

The board shall grant category 1 continuing education credit for any educational activity which meets the following standards:

A. The educational activities shall have significant intellectual or practical content dealing primarily with matter directly related to the practice of medicine or to the professional responsibility or ethical obligations of the participants.

B. Each person making a presentation shall be qualified by practical or academic experience to teach the subject he or she covers.

C. Participants shall attend educational activities in a classroom, laboratory, or setting suitable for the activity. Video, motion picture, or sound tape presentations may be used.

D. Ordinarily, credit will not be given for speeches given at lunches or banquets.

E. One hour of credit shall be given for each 60 minutes actually spent on educational activities.

F. Any course planned, sponsored, or cosponsored by a medical or osteopathic medical school, state or national medical or osteopathic association, or a national medical specialty society shall be presumed to meet the above standards. This presumption may be withdrawn by the board if it determines that a school, association, or specialty society has sought credit for a course not meeting these standards.

5605.0800 [Repealed by amendment, 8 SR 2573]

5605.0900 VERIFICATION OF COMPLIANCE.

Licensees shall, at the relicensure period coinciding with the end of their cycle, provide a signed statement to the board on a form provided by the board indicating compliance with this chapter. The board may, in its discretion, require such additional evidence as is necessary to verify compliance with this chapter. The board may also accept certification of other state or national medical groups whose continuing medical education requirements are the equivalent of or greater than those of this board in lieu of compliance with these standards.

A licensee failing to submit a statement or who submits a statement which, on its face, indicates noncompliance with this chapter may be subject to the disciplinary provisions contained in part 5605.1100.

Statutory Authority: *MS s 214.12*

History: *8 SR 2573*

5605.1000 EXEMPTIONS.

Subpart 1. Residency or fellowship training. The board may grant an exemption from the continuing education requirements of this chapter to a licensee for full-time participation in residency or fellowship training at a professionally accredited institution.

Subp. 2. Emeritus registration status. Physicians under emeritus registration status as provided in chapter 5606 are exempt from the continuing medical education requirements of this chapter.

Statutory Authority: *MS s 214.12*

History: *8 SR 2573*

5605.1100 PENALTIES FOR NONCOMPLIANCE.

The board may refuse to renew, suspend, condition, limit, or qualify the license of any person whom the board determines has failed to comply with the requirements of this chapter.
