6200 0200 GAME AND FISH GENERAL PROVISIONS

**6200.0200 GAME AND FISH GENERAL PROVISIONS.**

*[For text of subps 1 to 5, see MR]*

**Subp 6 Incomplete or improperly completed applications; correction of agent errors.**

A. Incomplete or improperly completed applications for licenses or permits may be rejected by the commissioner

B. To correct for an error made by the department or a department agent in processing an application, the commissioner may:

(1) increase the quota of licenses or permits for a drawing to accommodate an applicant who could have been drawn if the error had not been made, or

(2) restore an applicant's preference rating to the level it would have been if the error had not been made
