Subp. 3. **Bearded turkey.** "Bearded turkey" means a turkey with a visible beard. A beard is a feathered appendage protruding from the breast and generally found only on males.

Subp. 4. **Landowner or tenant.** "Landowner" or "tenant" means a person who is an owner or tenant of and who lives on at least 40 acres of agricultural or grazing land within the zone being applied for.

Subp. 5. **Legal bow and arrow.** "Legal bow and arrow" means a bow that has a pull of no less than 40 pounds, at or before full draw, and that is not drawn, held, or released by a mechanical device. Arrowheads must be of a blunt head design or:

- A. sharp and have a minimum of two metal cutting edges;
- B. of a barbless broadhead design and function, as follows:

(2) retractable arrowheads are a barbless design if the trailing edge of each blade creates a 90 degree or greater angle with the shaft when the blades are fully retracted. Retractable arrowheads function in a barbless manner if, when withdrawn from a wild turkey, the blades retract so that the trailing edge of each blade is at a 90 degree or greater angle to the arrow shaft; and

6236.0300 TURKEY HUNT DRAWING.

Subpart 1. License application drawings. Drawings will be conducted by the department to determine persons who will be eligible to purchase licenses for each season. The drawings will be subject to the quotas established by the commissioner. Preference in the respective drawings is given to applicants based upon the number of times they have correctly applied for a license for that hunt but have been unsuccessful. A person selected by the drawings is eligible to purchase a license to hunt turkey. Upon issuance of a turkey license for the spring or fall season, all accumulated preference for that season is lost.

Subp. 2. Participation in application drawings. Applicants may complete an application form for either the spring or fall turkey hunt or both. Qualifying individuals may apply for the resident landowner-tenant turkey drawing. All of the information in items A to G must be supplied on the application forms.

A. A resident applicant 18 years or older must provide the applicant's individual Minnesota driver's license number of 13 characters, a 13-character firearms safety number, or an official state of Minnesota identification number of 13 characters issued by the Department of Public Safety.

B. A nonresident 18 years or older must provide a driver's license number or other identification number.

C. A resident or nonresident applicant age 12 to 15 by the opening day of the season may provide one of the above numbers or may participate in the drawing without a number by providing the applicant's full first, middle, and last name and date of birth. Youthful applicants who do not provide a number will be placed into the drawing using a number generated by the department.

D. An applicant must choose one of the wild turkey permit areas and one of the time periods.

E. Up to four persons desiring to hunt together as a group may apply by submitting their drawing applications in one envelope. Applications by a group must all be for the same wild turkey permit area and time period. The person within a group with the lowest preference rating will determine the preference rating of the group. Properly completed applications which are submitted in one envelope will either all be selected or none selected. Mixing landowner-tenant applications with general applications will not be permitted for purposes of applying as a group.

F. A person who makes a faulty application or who applies as a landowner or tenant but does not meet the definition as provided by this part will be ineligible for that season's drawings.

G. Application deadlines are as follows:

- (1) spring season: the first Friday in December; and
- (2) fall season: the Friday nearest June 29.

Subp. 3. Landowner-tenant drawing. A landowner-tenant license application drawing will be held subject to the restrictions in items A to F.

A. An applicant must meet all eligibility requirements and must provide a complete and accurate description of the qualifying land.

B. An applicant must be a landowner, tenant, or a member of the landowner's or tenant's immediate family.

C. For each wild turkey permit area and time period, no more than 20 percent of the successful participants will be drawn from the special landowner-tenant applications.

D. An individual participant in the landowner-tenant drawing may submit only one application and only for the turkey wild turkey permit area in which the participant resides.

E. Applicants unsuccessful in the landowner-tenant drawing will be included in the general drawing.

F. Landowner-tenant licensees must allow turkey hunting as provided by Minnesota Statutes, section 97A.435, and the commissioner will provide descriptions of these lands to licensed turkey hunters.

Subp. 4. **Modification of quota numbers for group applications.** The quota of licenses or permits for a drawing may be increased to accommodate group members if the last applicant to be selected is a member of a group.

Subp. 5. **Drawing application fee.** An applicant must submit, along with the application, a cashier's check, money order, or personal check payable to the Minnesota Department of Natural Resources. Any check that is returned to the department for nonpayment will invalidate the application and the check will be destroyed. Refunds of application fees will not be made for any reason.

Subp. 6. **Undersubscribed wild turkey permit areas.** A second preference drawing may be held for undersubscribed time periods. All unsuccessful applicants for the wild turkey permit area that includes the undersubscribed time period will be eligible for the second drawing.
