COMMERCIAL FISHING OPERATIONS 6260.3400

Subp 2 **Permit revocation.** The commissioner may revoke any permit upon determination that revocation is necessary for protection of natural resources

Subp 3 **Variance of harvest operations.** Any variance from permit conditions requires a written amendment which must be attached to and become part of the permit

Subp 4 **Importation of crayfish.** The importation of live crayfish or crayfish eggs into the state is prohibited except by written permit from the commissioner. Permits to import live crayfish for processing may only be issued provided no live crayfish are allowed to exit the processing facility

Subp 5 **Required records.** Permit holders must keep records of all crayfish sales transactions. Records must be verifiable with supporting sales slips and include the number or weight of all species of crayfish acquired by taking or purchase and sold, name and address of buyer, and date of each transaction. Records must be kept current within 48 hours. Failure to keep complete and current records may result in immediate revocation of the permit and may render the permit holder ineligible for future permits

Subp 6. **Commercial sale, purchase, and transportation of crayfish.** Crayfish legally harvested may be bought, sold, and transported for food purposes and as processed bait only, except as otherwise provided by part 6260.2900 and this part

Crayfish must be kept separated from live fish when being transported within the state

Subp 7 **Exportation of crayfish.** Crayfish legally possessed may be exported for any purpose

Subp. 8 **Notification of harvest operations.** The permit holder must inform the area fisheries office at least 24 hours in advance of the start of harvest operations for each water body

Subp. 9 **Responsibility for harvest activities.** The permit holder must be in personal attendance at harvest operations and is responsible for all harvest activities. All members of the crew must be listed on the permit.

Subp 10. **Identification of harvest sites.** Crayfish harvest sites will be identified to the area fisheries office by name and legal description or, if available, the Division of Waters inventory number

Subp 11 **Permits to rear and hold crayfish.** The commissioner may issue a permit to rear or hold crayfish of the species *Orconectes virilis* and *Orconectes immunis* for any waters, including waters that are not isolated from other waters
