MINNESOTA RULES 1983

5103

RULES OF BOARD OF NURSING 6320.1400

6320.1200 AWARDS.

Subpart 1. **Priority.** Priority for awards shall be given to those applicants who appear to have the greatest financial need and scholastic ability as evidenced by references and information from applicant. An applicant of top scholastic ability but little apparent financial need, as evidenced by references and information from applicant, shall not be granted an award. Similarly, an applicant of considerable apparent financial need but low scholastic ability, as evidenced by references and information from the applicant, shall not be granted an award.

Subp. 2. **Baccalaureate degree awards.** An award to a student in a baccalaureate degree nursing program shall not be granted until the beginning of the clinical portion of the program.

Subp. 3. **Qualifications.** An applicant shall be a student in an accredited professional or practical nursing school in Minnesota, or accepted by such a school for admission to the next class of students.

Statutory Authority: *MS s 148.191 subd 2; 148.286*

6320.1300 WITHDRAWALS AND REPAYMENT.

The Board of Nursing shall request that a scholarship recipient who chooses to withdraw from the nursing program shall refund the amount of the award already paid to him. This repayment may be made periodically in amounts convenient for the recipient.

Statutory Authority: *MS s 148.191 subd 2; 148.286*

6320.1400 GRADUATION.

When requested by the board, the recipient shall provide information as to his place and length of employment in nursing following graduation.

The board shall request repayment from the recipient who has graduated but not fulfilled his obligation to work one year as a nurse in Minnesota immediately following graduation. The amount of the repayment would be in proportion to the amount of a year not worked.

Attendance at an educational program after graduation from the basic one accredited by the Board of Nursing shall not satisfy fulfillment of the requirement "practice the profession of nursing."

Statutory Authority: *MS s 148.191 subd 2; 148.286*
