7800.2000 HOUSEHOLD GOODS CARRIERS.

Subpart 1. **Shipment requires written orders to driver.** Whenever a household goods carrier gives a prospective shipper an estimate of charges, either verbal or written, covering the movement of shipper's household goods, said carrier shall issue a written order to the carrier's driver which shall show the name and pickup address of the shipper, the delivery address of the movement, the time of pickup, the items to be transported, and the estimate of charges for such movement. If, upon arrival at the point where the pickup is to be made, the driver finds that there are additional items to be transported other than those named in the order, or if for other reasons the estimate must be revised, the adjustment of the estimate must be noted on the order and signed by the shipper. A copy of said order or estimate must be given to the shipper.

Subp. 2. **Insurance coverage on shipment.** The household goods carrier, at the time of loading the shipment, shall specifically call the shipper's attention to the released value of the goods as fixed in its tariff and by part 7800.2100 and shall notify the shipper that anything above the released value must be insured by the shipper if the shipper is to recover more than the released value in case of loss or damage. If the shipper shall request insurance coverage for the excess (or entire) value, upon tender by the shipper to the carrier of the cost of such insurance, the carrier shall obtain for the shipper a policy of insurance in the amount required by the shipper and at or before the time of the pickup of such goods shall deliver to the shipper evidence of such insurance coverage. If the carrier fails to notify the shipper in writing of the released value limitation or that insurance coverage is available or any shipper has ordered and paid for insurance and the carrier fails to deliver evidence of such insurance coverage at or before the time of the pick up of the shipment, the carrier

7800.2100 BILL OF LADING ISSUED FOR SHIPMENT.

In the case of any intrastate move, the bill of lading issued for any shipment accepted for transportation and storage at released rates and charges established and maintained under authority of this order shall have printed in distinctive color in boldface type on the face thereof a statement reading as follows:

Unless the shipper expressly releases the shipment to a value of 60 cents per pound per article, the carrier's maximum liability for loss and damage shall be either the lump sum value declared by the shipper or an amount equal to \$1.25 for each pound of weight in the shipment, whichever is greater.

The release of value must be entered in the following form directly below and immediately following the foregoing statement, and must be completed only by the person signing it.

The shipment will move subject to the rules and conditions of the carrier's tariff. Shipper hereby releases the entire shipment to a value not exceeding

(To be completed by the person signing below)

Notice: The shipper signing this contract must insert in the space above in the shipper's own handwriting, either a declaration of the actual value of the shipment, or the words "60 cents per pound per article." Otherwise, the shipment will be deemed released to a maximum value equal to \$1.25 times the weight of the shipment in pounds.

(Shipper)

(Date)

Provided that: Where the shipper is the employer of the actual owner of the household goods being transported and is responsible for all transportation charges in connection with such a move, the shipper may instruct the motor carrier to release the shipment to a value of 60 cents per pound per article (a) by specification made on a purchase order, or (b) by issuing, in advance of the shipping date, appropriate letters of instructions to the carrier. In such instances, the motor carrier must incorporate the instructions by reference to the document in (a) or (b) above in the bill of lading in lieu of the personal signature and handwritten statement relating to released rates.

The shipper may also elect, in lieu of declared value, to purchase trip insurance covering up to full value of the shipment and the carrier shall be permitted to act as an agent in the writing of said insurance.

7800.2200 HOUSEHOLD CARRIER AS STORER.

When a carrier also engages in the storage of household goods and a shipper has stored household goods with such carrier-storer and such carrier-storer has told the shipper that there will be no dock charges when said household goods are reshipped, or if the storage receipt does not show that charges for dockage will be assessed at the time said goods are removed from such warehouse, then such warehouse operator shall

make no dockage charge whether the goods are transported by such warehouse operator as carrier or through the services of another carrier.

7800.2300 APPLICATION OF COMMON LAW AND MINNESOTA STATUTES.

Nothing in this chapter shall be construed to hold a carrier liable for loss or damage when such loss or damage is due to a cause for which the carrier is not liable by reason of the common law or the statutes of the state of Minnesota.

7800.2400 ADVERTISING OF HOUSEHOLD GOODS CARRIER.

Subpart 1. **Storage service.** No carrier of household goods shall advertise or in any way imply or suggest that such carrier will provide storage service unless such carrier holds a warehouse license issued by the commissioner of transportation, or unless the carrier has a currently existing written agreement with a licensed warehouse operator providing for the storage of all property offered for storage by such carrier.

Subp. 2. **Agency agreement.** No carrier of household goods shall advertise or in any way imply or suggest that such carrier is an agent of any other carrier unless there is a currently existing valid written agency agreement in effect in which the carrier of household goods is made an agent of the other carrier.

Subp. 3. **Insurance.** No carrier of household goods shall advertise or in any way imply or suggest that such carrier carries insurance which will cover damage or loss to household goods while being loaded or unloaded, or in transit or storage, or otherwise in the care or custody of the carrier, unless such carrier actually carries such insurance.

Subp. 4. **Advertisement showing assigned authority number, identification letters.** No certificated, permit, household goods, or local cartage carrier shall advertise in any publication, including a telephone directory, unless such advertisement shall contain such carrier's assigned authority number, and the appropriate identification letters.

7800.2500 LEASED EQUIPMENT.

A motor carrier may lease motor equipment from the owner thereof for use in operations conducted pursuant to the motor carrier's permit or certificate. The lease may include the services of a driver and nothing in this chapter shall be construed to require that such a driver be an employee of the motor carrier lessee.

The purpose of these leasing rules is to ensure that the primary responsibility for the conduct of regulated motor carrier operations remains in the authorized motor carrier, and that the members of the public using motor carrier services are clearly advised of the identity of the responsible carrier, and that the leasing of equipment by an authorized motor carrier from an owner thereof is not a subterfuge for leasing the carrier's permit or certificate to the owner-lessor.

Statutory Authority: *MS s 221.031*

7800.2600 REQUIRED LEASE PROVISIONS.

The lease shall provide for the exclusive possession, control, and use of the equipment, and for the complete assumption of responsibility in respect thereto by the lessee for the duration of said lease, and the lessee shall be considered as the owner of said vehicle during the duration of the lease for all purposes, including public liability insurance, and registration of vehicles with the Department of Public Service. The lease shall state the terms of compensation to be paid to the lessor by the lessee. The lease shall state the date and duration of said lease. The parties to the lease agreement may

insert therein any other provisions not contrary to law, and not inconsistent with the rules of the Minnesota commissioner of transportation.

Statutory Authority: *MS s 221.031*

History: *L 2001 c 213 s 30*

7800.2700 DUTIES OF THE LESSOR AND LESSEE.

The lease shall be executed in at least three copies. One executed copy shall be retained by the lessee, one executed copy shall be retained by the lessor, and one copy shall be kept with the leased equipment at all times during the term of the lease.

The provisions of the above paragraph shall not apply between motor carriers that have authority as defined under Minnesota Statutes, section 221.011, subdivisions 9, 10, 11, 12, 13, 21, and 24, nor shall it apply to local cartage carriers as defined in Minnesota Statutes, section 221.296.

Lessee's name and address shall be displayed on both sides of the leased and registered vehicle in required lettering. During the time that vehicles under lease are operated by the lessee, there shall be carried in such vehicle bills of lading, waybills, freight bills, manifests, or other papers identifying the lading, and which clearly indicate that the transportation of the property carried is under the responsibility of the lessee as an authorized carrier.

It shall be the duty of the lessee-carrier before taking possession of the equipment to have the same inspected by a qualified person to insure that said equipment is in safe operating condition. The person making the inspection shall certify the results thereof to the lessee, and a copy of such certification shall be carried in the motor vehicle.

All charges paid by a shipper or consignee for transportation services performed with use of leased equipment shall be paid to the lessee only, and the lessor shall exercise no control or dominion over such revenues. The driver of a leased vehicle may, when required, physically collect such charges from the shipper or consignee, but shall immediately deliver all said funds to the lessee. All arrangements for transportation service, solicitation therefor, claims settlement, and all other aspects of motor carrier service shall be conducted by, and in the name of, lessee only, and neither lessee nor the lessor shall by any method of service whatsoever represent or imply, or suggest, to any shipper or consignee, that the motor carrier service being offered or rendered is being offered or rendered by the lessor.

Nothing in this chapter shall be construed to relieve the lessee, the lessor, or the driver of any leased equipment from compliance with the laws, rules, and regulations pertaining to the operation of motor vehicles on Minnesota highways.

Statutory Authority: *MS s 221.031*

RECORDS, REPORTS, AND CLAIMS

7800.2800 RECORDS KEPT BY THE COMMISSIONER.

For accounting regulations and filing annual reports refer to parts 7805.0500 to 7805.1300, motor carrier accounting rules.

Freight bills, bills of lading, and all other records of motor carriers will be open to inspection and examination to the commissioner of transportation and the agents thereof at all reasonable times and places. The commissioner may on application or upon the commissioner's own motion, after notice, order any motor carrier authorized

by the commissioner to produce such records for examination when and where the commissioner by order directs.

Where a dispute arises between a carrier, consignee or consignor, or a passenger, over a claim, any of the interested parties may refer the claim to the commissioner for investigation.

If the consignee fails to pay such charges when the same are due, all further deliveries to such consignee shall be on a cash basis as long as consignee owes unpaid delinquent charges.
