

CHAPTER 7849
PUBLIC UTILITIES COMMISSION
POWER PLANTS AND TRANSMISSION LINES

7849 0010 DEFINITIONS

7849.0010 DEFINITIONS.

[For text of subs 1 to 12, see MR]

Subp. 13 **LEGF; large electric generating facility.** “Large electric generating facility” or “LEGF” means an electric power generating unit or combination of units as defined by Minnesota Statutes, section 216B 2421, subdivision 2, clause (1).

Subp 14 **LHVTL; large high voltage transmission line.** “Large high voltage transmission line” or “LHVTL” means a conductor of electrical energy as defined by Minnesota Statutes, section 216B 2421, subdivision 2, clause (2), and associated facilities necessary for normal operation of the conductor, such as insulators, towers, substations, and terminals.
