#### **7870.0500 CONTRACT APPROVAL.**

Subpart 1 **Contracts and subcontracts subject to prior commission approval.** All contracts entered into, renewed, or extended by Class A, B, and D licensees and their contractors for goods, services, and events occurring during the live race meeting are subject to prior approval by the commission. Licensees must submit contracts to the commission not less than seven days prior to a commission meeting. Contracts must include affirmative action plans establishing goals and timetables consistent with Minnesota Statutes, chapter 363, where the contractor affirms compliance with the ADA. All Class A, B, and D licensees must submit, as soon as practicable to the commission the name and the address of the contractor or subcontractor, amount and duration of the contract or subcontract, and a description of the good or service provided. The commission shall determine whether the contract or subcontract may affect the integrity of pari-mutuel racing, and the commission shall notify the licensee whether the commission intends to review and approve or disapprove the contract or subcontract. In making a determination that a contract or subcontract may affect the integrity of racing, the commission shall consider the amount and duration, the extent to which the contractor or subcontractor will be on the premises of the licensee, the relationship of the contract or subcontract to security, opportunity for contact between the contractor or subcontractor and horses, horsepersons, or patrons, opportunity for the contractor or subcontractor to influence the management and conduct of pari-mutuel racing, contact with admission, pari-mutuel, concession, or purse money, and whether the commission has reason to believe that the contractor or subcontractor is incompetent, financially irresponsible, or not of good character. If notified of the commission's intention to review and approve or disapprove a contract or subcontract, the licensee shall promptly submit to the commission copies of any written contracts or subcontracts as well as any documentation, records, or information the commission may request with regard to the contract. If the commission notifies a licensee of the commission's intention to review and approve or disapprove a contract or subcontract, the contract or subcontract is not valid, nor is either of the parties bound by the contract until it has been approved by the commission. The commission shall approve or disapprove contracts and subcontracts within 30 days, as computed pursuant to Minnesota Statutes, section 645 15, after submission.
