8200.9115 FORM OF POLLING PLACE ROSTERS.

Subpart 1. General form of roster. The polling place rosters must contain the following items from the statewide registration system: voter's name, voter's address, voter's date of birth, voter's school district number, and a line on which the voter's signature can be written. When a voter's registration has been challenged pursuant to Minnesota Statutes, section 201.121, subdivision 2, an indicator noting the voter's challenged status must be printed on the line provided for the voter's signature. A similar indicator must be printed on the line provided for the voter's signature to note a voter's guardianship or felony status, if any.

The following certification must be printed at the top of each page of the polling place roster: "I certify that I am at least 18 years of age and a citizen of the United States; that I reside at the address shown and have resided in Minnesota for 20 days immediately preceding this election; that I am not under guardianship of the person, have not been found by a court to be legally incompetent to vote, and have not been convicted of a felony without having my civil rights restored; and that I am registered and will be voting only in this precinct. I understand that giving false information is a felony punishable by not more than five years imprisonment and a fine of not more than \$10,000, or both."

One or more pages in the polling place roster must be provided for use by voters who register to vote in the polling place on election day. An election day

registrant shall fill in the registrant's name, address, and date of birth and shall sign the roster on the line provided.

Each page in the polling place roster must also contain the name of the precinct and a page number. In addition, each line provided for a voter's signature must be consecutively numbered on each page.

Subp. 2. Presidential primary roster. In addition to the information required in subpart 1, the polling place rosters for the presidential primary election must include a space next to the line provided for the voter's signature for the voter to indicate the major political party whose ballot the voter has requested.

The election judges shall instruct each voter who wishes to vote in the presidential primary to indicate on the polling place roster the major political party whose ballot the voter has requested. The election judges shall then issue the voter a presidential primary ballot for the party indicated by the voter on the roster. A voter who has not indicated a major political party choice on the polling place roster must not be issued a presidential primary ballot.

The county auditor must enter the voter's presidential primary party choice into the statewide registration system when voter history is posted pursuant to Minnesota Statutes, section 201.171.
