8210.0200 ABSENTEE BALLOT APPLICATION.

Subpart 1. **Application form.** An absentee ballot application prepared by the county auditor or municipal clerk pursuant to Minnesota Statutes, section 203B.06, subdivision 1, shall be in the form in part 8210.9910. An absentee ballot application for the presidential primary must be in the form in part 8210.9917 or 8210.9918.

Subp. 2. **Absentee ballot instruction.** The following instructions shall be printed on the absentee ballot application:

INSTRUCTIONS

1. In order to vote by absentee ballot you must be an eligible voter, you must be a resident of the election precinct indicated by your legal residence address on this application, and you must not intend to abandon this residence prior to election day. Please note that Minnesota law provides that it is a felony to make a false or untrue statement in an application for an absentee ballot, to apply for an absentee ballot more than once in an election with the intent to cast an illegal ballot, to exhibit a ballot marked by a person to another person, or to violate an absentee ballot provision for the purpose of casting an illegal vote in a precinct or to assist anyone to cast an illegal vote.

2. Be sure to check the appropriate box indicating why you are unable to go to your polling place on election day; these are the only reasons that entitle you to vote by absentee ballot.

3. Be sure to give your correct legal residence address as completely as possible, since this is used to verify your precinct number.

4. Be sure to sign the application.

5. Return the completed application as soon as possible to the county auditor or municipal clerk from whom you received it.

Remember:

1. You must indicate whether you are requesting ballots for the primary or general election, or both.

2. Do not submit more than one application for each election.

3. Your absentee ballots will be mailed or delivered to you as soon as they are available.

Subp. 3. Postcard application. The absentee ballot application may be printed as a postcard application or in any other manner deemed appropriate by the auditor or municipal clerk. If the application is printed as a postcard application, it shall be printed in the following manner.

The postcard shall be white with black ink. The postcard shall weigh not more than one ounce. The size shall be no smaller than 3-1/2 inches by five inches and no larger than 6-1/8 inches by 11-1/2 inches. The postcard shall be at least .007 inches thick.

Subp. 4. Permanent application. An eligible voter who meets the requirements in Minnesota Statutes, section 203B.04, subdivision 5, may apply to the county auditor or municipal clerk to automatically receive an absentee ballot application for each election in which the voter is eligible to vote. The county auditor shall make available the form provided in part 8210.9915 for this purpose. The voter shall complete the form and return it to the county auditor or municipal clerk. A municipal clerk who receives a completed application shall forward it to the county auditor immediately. The completed form must be attached to the voter's registration card.

The county auditor shall maintain a list of voters who have applied to automatically receive an absentee ballot application. At least 45 days before each election, the county auditor or municipal clerk shall send an absentee ballot application to each person on the list who is eligible to vote in the election.

An application submitted by a voter under this subpart must be retained permanently with the voter's registration record. The form must be transferred with the voter's registration record whenever a change in the voter's name, address, or status occurs.

Subp. 5. Presidential primary. In addition to the information required by subpart 2, the absentee ballot application for the presidential primary must include the following instruction to the absent voter: "A presidential primary ballot cannot be sent to you unless you indicate on this application which political party's ballot you wish to receive. You may receive the ballot of only one political party."

An absentee ballot for the presidential primary must not be sent to any voter who has not indicated which political party's ballot the voter wishes to receive.

MAIL BALLOTS

8210.3000 MAIL BALLOTING.

Subpart 1. **Scope.** This part applies to mail balloting conducted under Minnesota Statutes, sections 204B.45 and 204B.46. Except as otherwise provided in this part, parts 8210.0200 to 8210.2500 also apply to mail balloting. In unorganized territory, the county auditor shall perform the duties specified for the municipal clerk.

Subp. 2. **Authorization.** The municipal governing body, school board, or county board may authorize mail balloting by resolution adopted no later than 60 days prior to the first election at which mail balloting will be used. If mail balloting is adopted pursuant to Minnesota Statutes, section 204B.45, the resolution remains in effect for all subsequent state and county elections until revoked. Revocation of the resolution may occur no later than 45 days before the next affected election. Authorization to conduct a special election pursuant to Minnesota Statutes, section 204B.46, expires after completion of the election.

Subp. 3. **Notice.** The municipal clerk or school district clerk shall notify the county auditor and the secretary of state of the adoption or discontinuance of mail balloting no later than two weeks after adoption or revocation of the resolution. The county auditor shall send a similar notice to the secretary of state for elections authorized pursuant to Minnesota Statutes, section 204B.45. The county auditor, municipal clerk, or school district clerk shall post notice of mail ballot procedures at least six weeks before each election. Notice of mail ballot procedures must include:

- A. the name or description of the municipality or unorganized territory;
- B. the date of the election and the dates that ballots will be mailed;
- C. a statement that each voter registered by the 21st day before the election will be mailed a ballot;
- D. the times, places, and manner in which voted ballots can be returned;
- E. an explanation of how an eligible voter who is not registered may apply for a ballot and how a registered voter who will be absent from the precinct may apply to receive the ballot at a temporary address;

F. the place and time for counting of ballots; and

G. the name and address or telephone number of the official or office where additional information can be obtained.

Before the first election at which mail balloting will be used or discontinued, notice must also be given by one or more of the following means: publication in a newspaper of general circulation, posting of notice at public locations within each precinct, dissemination of information through the media or at public meetings, or mailed notice to registered voters.

Subp. 4. Mailing ballots. The county auditor, municipal clerk, or school district clerk shall mail ballots to the voters registered in the municipality or unorganized territory. A ballot mailing must be sent to each voter whose name is included in the registration file on the 21st day before the election, except that no ballot may be mailed to a challenged voter.

Ballots must be sent by nonforwardable mail. Ballots for eligible voters who reside in health care facilities may be delivered as provided in Minnesota Statutes, section 203B.11. The ballot mailing must be addressed to the voter at the voter's residence address as shown on the registration file unless the voter requests, in writing, that the ballot be mailed to the voter at a different address.

A return envelope, a ballot secrecy envelope, and instructions for marking and returning mail ballots must be included with the ballots. At the request of the secretary of state, a survey card that the voter can return to the secretary of state must also be included. The ballot return envelope must be printed with the mail voter's certificate. The ballot return envelope must be addressed for return to the county auditor as specified in part 8210.0700, subpart 4. First class postage must be affixed to the return envelope.

Subp. 4a. Presidential primary ballots. In precincts voting by mail in the presidential primary, the county auditor shall mail the ballots of each of the major political parties to every registered voter. The county auditor shall include a secrecy envelope that provides a place for the voter to indicate the party whose ballot has been enclosed by the voter. The secretary of state shall supply the county auditors with the format for the secrecy envelope. The voter must be instructed to vote and return the ballot of only one party and indicate their party choice on the secrecy envelope.

The election judges must inspect the secrecy envelope and record the voter's party choice on the polling place roster. If the voter has not indicated a party choice, the return envelope must be marked "rejected."

When the election judges open the secrecy envelopes, they shall determine whether the party choice indicated by the voter on the face of the envelope matches the party of the ballot in the envelope. If the party choice does not match the ballot, the ballot is completely defective. If more than one ballot is included, only the ballot whose party matches the party choice indicated by the voter can be counted. The remaining ballots are completely defective.

Subp. 5. Nonregistered eligible voters. An eligible voter who was not registered on the 21st day prior to the election may apply for and receive an absentee ballot. Absentee voting in precincts using mail balloting must be conducted under Minnesota Statutes, sections 203B.04 and 203B.06, except that the time for applying for, receiving, and returning absentee ballots is extended until 8:00 p.m. on the day of the election. The absent voter's certificate and instructions must be those specified in parts 8210.9920 and 8210.9930.

Subp. 6. Replacement ballots. A voter who has spoiled a ballot may request a replacement ballot from the auditor. The spoiled ballot must be returned to the auditor, either by mail or in person, before a replacement ballot can be issued. A replacement ballot may also be issued to a voter who signs an affidavit stating that the voter did not receive the ballot mailed to the voter. The auditor shall stamp or mark on all replacement ballot return envelopes the words "REPLACEMENT BALLOT" and shall maintain a record of all replacement ballots issued.

Subp. 7. Undeliverable ballots. Ballots returned by the post office as undeliverable to the voter at the address of registration must be securely retained. If the auditor or municipal clerk is able to verify the voter's residence at that address, the ballot may be reissued. A ballot undeliverable to the voter at the address of registration must be considered a returned notice of verification as provided in Minnesota Statutes, section 201.12 and the voter's registration must be challenged. The auditor shall maintain a record of all undeliverable ballots.

If the ballot is returned by the post office with notification of the voter's new address within the municipality or unorganized territory, the municipal clerk shall notify the voter of the procedure for requesting an absentee ballot and registering at the voter's new address.

Subp. 8. Returning ballots. Mail ballots may be returned to the county auditor by mail, in person, or by designated agent. Ballots returned in person must be accepted until 8:00 p.m. on the day of the election.

Subp. 9. Polling place and election judges. The only polling place required for mail balloting is the office of the county auditor. If adequate space for counting ballots is not available at the county courthouse, the governing body shall designate another suitable location where the election judges can meet on election day to receive and count ballots. The location must be open for public observation of the counting of ballots. The governing body shall appoint a suitable number of election judges as provided in Minnesota Statutes, sections 204B.19 to 204B.22.

Subp. 10. Receiving and counting ballots. On election day, at the time stated in the notice, the election judges shall receive from the county auditor all returned ballots, applications for absentee ballots, and affidavits for replacement ballots. The judges shall arrange to receive from the auditor any additional ballots received in the mail or returned by a voter prior to 8:00 p.m. on election day. If the counting location is not at the county courthouse, ballots must be transported in a sealed transfer case by two or more election judges of different major political parties. During the receiving and counting of ballots, the ballots must at all times remain in the custody of two or more election judges of different major political parties.

Prior to 8:00 p.m., the election judges may examine the return envelopes, mark them "accepted" or "rejected" and remove the ballot envelopes from the "accepted" return envelopes. The ballot envelopes must be placed unopened in a locked ballot box or other sealed container. At 8:00 p.m., the election judges shall open the ballot box, remove the ballots from the ballot envelopes, and count the ballots.

Subp. 11. Challenges. Challengers appointed under Minnesota Statutes, section 204C.07 may be present while the election judges are examining and accepting or rejecting the return envelopes. Challenges must be made and determined as provided in Minnesota Statutes, section 204C.13, subdivision 6.

Subp. 12. Costs. The governing body authorizing mail balloting shall pay the costs of the mailing. Costs of mailing include postage costs and the costs of printing required envelopes, instructions, affidavits, and mailing labels. Other expenses must be paid as provided in Minnesota Statutes, section 204B.32.
