### 9560.0030 LEGALLY FREEING A CHILD FOR ADOPTION.

**Subpart 1. Legal or voluntary termination.** Before a valid agency adoptive placement may occur, court termination of the parent's rights under Minnesota Statutes, sections 260.221 to 260.241 or an agreement under Minnesota Statutes, section 259.25 which confers authority to place a child for adoption with the commissioner or a licensed child-placing agency must be obtained from any individual recognized by state law as having parental rights.

A. A local social service agency shall seek to free a child for adoption through court termination of parental rights unless the commissioner states in writing that he will accept the agreement conferring authority to place the child.

B. On all agency adoptive placement plans, the local social service or licensed child-placing agency shall inform the genetic parent, who is identified on the child's birth certificate by birth registration, affidavit, or court order, of the statutory conditions under which birth certificate information and certain agency record information may or may not be released. The agency shall assist the genetic parent with the procedures in subitems (1) to (3).

(1) The genetic parent shall sign an affidavit to be filed in the agency record attesting that the genetic parent has been informed of statutory conditions that affect the agency release or nonrelease of identifying information, such as the genetic parent's name, last known address, birth date, and birthplace, to the adopted person after that person reaches adult age as defined in Minnesota Statutes, sections 259.47 to 259.49.

(2) The genetic parent may subsequently choose to file or not file in the agency adoption record an affidavit objecting to the agency release of any or all of the identifying information to the adopted person upon that person reaching adult age as specified in Minnesota Statutes, sections 259.47 to 259.49.

(3) The genetic parent may file an affidavit at any time with the state registrar of vital statistics consenting to or refusing to consent to disclosure of the original birth certificate information to the adopted person after that person reaches adult age as specified in Minnesota Statutes, sections 259.47 to 259.49.

Consents to an adoption by the child's parent when that parent is either a copetitioner in the adoption proceedings or does not have custody of the child must be executed before two competent witnesses, but need not be executed before an agency representative. All consents by a parent must contain a notice to the parent of the right to revoke the consent for any reason within ten working days of its execution. Consents obtained in another state may be executed according to either Minnesota law or applicable consent laws of the other state.

### 9560.0040 STATE PHOTOGRAPHIC ADOPTION EXCHANGE.

**Subpart 1. Child placement.** To ensure each child's placement in an adoptive home preferably away from his area of prior residence, the State Adoption Exchange shall be used by all authorized child-placing agencies in accordance with procedures under Minnesota Statutes, section 259.45 and the commissioner.

A. Each authorized child-placing agency shall register the child on the exchange using the registration form prescribed by the commissioner accompanied by a recent photograph of the child.

B. An authorized child-placing agency seeking to defer registration of the child shall make a written request to the exchange for written approval. The request for deferral must meet one of the conditions in subitems (1) to (6).

(1) The child is placed in an agency adoptive home and legal adoption occurs within two years of placement. The agency's report of the adoptive placement to the state agency shall constitute the basis for deferral.

(2) The child's foster home is being considered and meets the criteria of subpart 3. A deferral granted for this reason may not exceed 90 days unless the placement status formally becomes an adoptive placement.

(3) The child's prospective adoptive home is being considered. A deferral granted for this reason may not exceed 90 days unless an adoptive placement occurs.

(4) The child is undergoing diagnostic evaluation to aid the agency in adoptive planning. A deferral granted for this reason may not exceed 90 days.

(5) The child is hospitalized and needs continuing daily care which will not permit placement in a family setting. A deferral granted for this reason may not exceed the length of hospitalization.

(6) The child is 14 years of age or older and, after counseling with the agency on permanent placement options, will not consent to an adoption plan. The agency shall then assist the child in executing an affidavit to file with the exchange in which the child states that decision and an awareness that the decision may be changed at any time.

**Subp. 2. Special needs.** The local authorized child-placing agency shall, without undue delay, seek an adoptive home which will meet the child's special needs. Special needs include sibling ties, minority racial or minority ethnic heritage, religious background, and health, social, and educational needs.

A. The placing agency shall follow the order of placement preference and exception guidelines under Minnesota Statutes, section 259.255, when placing a child of minority race or minority ethnic heritage.

B. The adoptive placement of an Indian child who comes under the Indian Child Welfare Act of 1978, United States Code, title 25, sections 19 et seq., as amended through December 31, 1982, must follow the order of preference as determined by the child's tribe.

C. The placing agency shall document in its record any recruitment efforts it made and any requests or decisions made by the child's parent, the tribe, court, or agency which affects the order of placement preference.

Subp. 3. **Recruitment.** As required in Minnesota Statutes, section 259.455, an agency shall make special efforts to recruit adoptive families from among the child's relatives, if feasible, and families of the same minority racial or minority ethnic heritage. The agency may work with various community and religious organizations, as well as the media, and may accept offers of service and monetary contributions to successfully recruit families for adoption.

### 9560.0050 CHILD'S FOSTER HOME.

B. The foster family will be able to accept the child and his background and help the child understand his adoption.

C. The foster family is either the best adoptive resource for the child or is at least comparable to available resources.

Subp. 2. **Joint decision required.** Except in Hennepin, Ramsey, and St. Louis counties, a joint decision between the state agency's adoption unit and the local social service agency as to whether the foster home would be a suitable adoptive home for the child must be made. The agencies shall base their decision upon:

A. the local social service agency's written statement and recommendation to the state agency identifying applicable criteria; and

B. the state agency's written response either approving or disapproving the recommendation.

Subp. 3. **Local agency approval required.** Where a licensed child-placing agency which is supervising a child under state guardianship wishes to consider the foster home as the adoptive resource for the child, it shall obtain approval from the local social service agency which has financial responsibility.

**Statutory Authority:** *MS s 245.783 subd 1; 245.802 subd 1; 257.05; 257.175; 259.27; 259.40 subds 2,10; 259.45 subd 9; 259.48*

A. The adoptive family's agency shall, prior to the child being placed in an adoptive home, meet with the child's agency in a preplacement conference, obtain written background and health history on the child, and visit the child in his foster home. The preplacement conference may only be waived if the child is under six months of age and is without special needs.

B. The child's agency shall prepare the child for adoptive placement and provide the adoptive parents with a written nonidentifying background and

health history of the child in which all identifying information on the child's relatives has been omitted. The history is to be written in a manner which is understandable and meaningful to the adoptive family.

C. An adoptive family shall spend at least two days in the child's community becoming acquainted with the child prior to the transfer of physical custody from the agency to them. This provision may be waived, in the discretion of the agency, where extraordinary circumstances dictate prompt placement.

D. The adoptive parents shall enter into a written adoptive placement agreement with the commissioner.

E. During the time the child resides in the adoptive home, the local social service agency shall continue administrative reviews but is not required to schedule a court dispositional hearing unless the child is either removed from the home or is not legally adopted within two years of the date of placement.

Subp. 3. **Postplacement activities.** Postplacement activities must include items A and B.

A. The agency placing the child shall arrange for and obtain written placement and postplacement reports from the agency supervising the child in the adoptive home.

### 9560.0070 SUBSIDIZED ADOPTIONS.

Subpart 1. **In general.** Subparts 2 to 13 and parts 9560.0080 and 9560.0090 provide standards for determining a child's eligibility for subsidy and the criteria for establishing the terms of the subsidy agreement subject to the commissioner's approval. Subsidized adoption is based upon the needs of the child who is certified as eligible for subsidy and is available through the commissioner for a child under legal guardianship of the commissioner or a licensed child-placing agency. The commissioner may review and verify the facts upon which the child's eligibility is based.

Subp. 2. **Documentation of eligibility.** The placing agency shall document in the child's case record all facts upon which the agency certifies the child as eligible for subsidy.

Subp. 3. **Determination of need for subsidy.** The placing agency may determine that subsidy is needed for children placed as sibling groups, children who are entitled to placement with a family of similar ethnic background (i.e., American Indian, Black, Hispanic, Asian), and children with special needs, for whom adoptive homes are not readily available. Special needs include medical, dental, and surgical expenses, psychiatric and psychological expenses, maintenance costs, and other costs necessary for the child's care and well being.

Subp. 4. **Criteria.** The placing agency shall certify the child as eligible for subsidy. The certification must be in writing and signed by the director of the placing agency or the director's designee. The certification must include the conditions and circumstances upon which the child's eligibility is based, and must be sent to the commissioner. A child is eligible for a subsidy when the child's situation meets the criteria in items A to E. When a child is placed into a prospective adoptive home without a subsidy but the need for subsidy becomes evident prior to legal adoption, the child-placing agency shall apply only the criteria in items A, C, and E to determine the child's eligibility.

A. To be eligible, a child must be a Minnesota resident and a ward of the commissioner or a licensed child-placing agency.

9020

B. The agency shall make an early determination on the availability of a home without subsidy, preferably within two months of the time the child becomes legally available for adoption.

C. A child is eligible for subsidized adoption by the child's foster parents if the following criteria are met and documented:

- (1) the child's foster parents desire to adopt the child;
- (2) the agency determines that adoption by the child's foster parents is in the best interest of the child, according to the criteria in part 9560.0050; and
- (3) the child's circumstances or characteristics make it difficult for the agency to provide the child with an adoptive home without a subsidy.

D. The placing agency has made reasonable efforts without success, including the efforts in subitems (1) to (3), to place the child without subsidy.

(1) The agency shall register the child on the state adoption exchange to obtain adoptive home referrals.

(2) The agency shall contact Hennepin, Ramsey, and St. Louis counties and Minnesota-based licensed child-placing agencies to seek potential adoptive homes.

(3) The agency may use photo listing services, adoption exchange services, newsletters, or other special efforts to secure a home.

E. The agency shall determine the child's eligibility for adoption assistance under Title IV-E of the Social Security Act, United States Code, title I, section 101, as amended through December 31, 1982.

**Subp. 5. Determining amount of subsidy.** When determining the amount of subsidy required to meet the child's needs, the placing agency shall consider the financial resources, social security and veterans benefits, health insurance coverage, medical assistance programs, and other resources which are available or which may be available to the child.

A. The placing agency shall document the amount of the child's maintenance needs for food, clothing, and shelter which cannot be met by adoptive parent and other financial resources. The monthly maintenance subsidy payment may be less than or equal to the following maintenance standards:

Age	Monthly Maintenance Subsidy
0 - 5	\$200
6 - 11	230
12 - 14	260
15 - 18	290

The state agency shall annually review and adjust the maintenance rate schedule.

B. The placing agency shall determine the medical, dental, surgical, psychiatric, and psychological expenses, and other related costs necessary for the child's care and well-being. In determining the costs, the placing agency shall identify the child's circumstances or conditions that require subsidy. The placing agency shall document:

(1) The kind and amount of health insurance or other medical financial resources including eligibility for medical assistance available to meet the needs of the child.

(2) The actual or estimated expenses for medical, dental, surgical, psychiatric, psychological, or other related needs of the child when these are not covered by health insurance, medical assistance, or other alternative financial or medical resources.

C. The placing agency shall determine whether the child has additional expenses or other costs not included in items A and B which are necessary for the child's care and well-being, including the purchase of services, items, or

The agreement shall state the responsibilities of the parties as follows.

A. The adoptive parents, or in the event of their death or inability to function as parents, the subsequent guardian or conservator, shall agree to:

B. the commissioner has, in noncompact situations, issued a written consent to importation or exportation of the child, pursuant to applicable state law.

#### **9560.0160 LEGALIZATION OF THE ADOPTIVE PLACEMENT.**

The commissioner or an authorized child-placing agency shall initiate the process of legalizing adoptive placements of agency-placed children by sending the petitioner, or his attorney, such nonidentifying information as is needed for completion of the adoption petition.

The final report and recommendation on a properly filed petition of an investigation by the commissioner or an authorized child-placing agency shall be made to the court within the 90-day time period.

The report and recommendation to the court on the form prescribed by the commissioner shall verify the allegations in the petition, determine whether the child is a proper subject for adoption, and ascertain the suitability of the proposed family and child to each other. The commissioner or an authorized child-placing agency shall request a continuance of the court when the investigation cannot be completed in the 90-day time period.

A copy of all requests for continuances must be filed with the state agency's adoption unit, the servicing agency, and the petitioner's attorney.

**9560.0170 POSTADOPTION SERVICES.**

**Subpart 1. Postadoption assistance.** Authorized child-placing agencies shall provide reasonable postadoption assistance and counseling services pursuant to Minnesota Statutes, sections 259.47 and 259.49 to adoptive parents, genetic parents, adult genetic siblings, and adopted persons who have reached the age of 19 at their request in a manner which strengthens the adoption contract and complies with Minnesota Statutes, sections 259.27, subdivision 3, 259.31, and 259.47, subdivision 4 and applicable federal regulations on confidentiality and privacy of child welfare and adoption records. The agency shall:

A. prepare general background and health information with the deletion of all identifying information such as names, specific dates, addresses, and locations, to aid the adoptive parents of a minor child or the adopted adult 19 years of age or older in understanding his genetic background and adoption;

B. contact any one of the parties, in a personal and confidential manner;

C. provide the services requested when there is a mutual desire to receive or share information or to have contact;

D. provide services to adult genetic siblings where the agency has determined that:

(2) the genetic parent has given written consent in order to allow the agency to provide the services requested;

E. provide services to a genetic relative for information or contact upon the written consent of the genetic parent or verification that the genetic parent is deceased;

F. share with the requesting person what options the agency may consider using to locate the other person; and

G. determine the extent and frequency to which the person contacted wishes to share information or have contact whether directly or through the agency.

**Subp. 2. Notification of genetic parent.** Upon notice from the state agency adoption unit that the adopted adult of the age specified in the statute requests the original birth certificate, authorized child-placing agencies shall locate and notify each genetic parent named on that certificate. The agency shall:

A. make complete and reasonable efforts within six months to locate and notify the genetic parent in a personal and confidential contact of the right to file an affidavit with the state registrar and the effects of filing within the time allowed an affidavit of disclosure or nondisclosure, or of filing nothing, on the original birth certificate information; and

B. file through the state agency adoption unit the agency affidavit of notification for the state registrar that each named genetic parent was located and notified, was not located and notified, or was found to be deceased.

**Subp. 3. Notification of genetically related persons.** An authorized child-placing agency shall, as required by Minnesota Statutes, section 259.47, subdivision 1, make a diligent effort to locate and inform genetically related persons of the medical or genetic information the agency has received. If the genetically related person is an adopted minor, the agency shall relay the information to the adoptive parent, subsequent guardian, or conservator. The agency shall make a diligent effort to notify the genetic parents when the agency learns that the adopted person has died.

**Subp. 4. Locating genetic parent.** Adopted persons of adult age placed for adoption by an authorized agency on or after August 1, 1982, may, under Minnesota Statutes, section 259.47, subdivision 3, upon reaching adult age, request from the placing agency the name, last known address, birth date, and

B. determine that the genetic parent either has not filed a subsequent affidavit objecting to the release of identifying information or has withdrawn that affidavit;

C. disclose the identifying information to the adopted person when the condition in item A is met and when the agency has verified that the condition in item B exists or that the genetic parent is deceased; and

D. contact the genetic parent if requested by the court upon the adopted person's petition for release of identifying information. The agency shall advise the genetic parent of the opportunity for that genetic parent to present evidence to the court, either directly or through the agency, that nondisclosure of the information is a greater benefit to the genetic parent than disclosure to the adopted person.

**Subp. 5. Counseling services.** Authorized child-placing agencies shall provide liaison and skilled counseling services through appropriately trained social workers to the adoptive parents, adopted adults who have reached the age of 19, genetic parents, and adult genetic siblings.

**Subp. 6. Documentation of postadoption services.** Authorized child-placing agencies shall document the postadoption services provided in the agency's adoption service record.

Subp. 2. **State agency.** "State agency" means the Minnesota Department of Human Services.

**Statutory Authority:** *MS s 256.01 subds 2,4; 256E.05 subd 1; 257.175*

**History:** *L 1984 c 654 art 5 s 58*

### 9560.0280 DELIVERY OF CHILD PROTECTIVE SERVICES.

Subpart 1. **Basic requirement.** Any child in Minnesota who is in need of protection is to receive such service in the county in which the child lives or is found, irrespective of family income and legal or poor relief settlement of the child or family.

Subp. 2. **Complaints of neglect or abuse.** The local social service agency must accept all complaints alleging that a child has been physically or sexually abused or neglected. Neglect includes conditions or actions which threaten either the child's physical health or the child's mental health. Upon receiving such complaints, the local social service agency shall immediately notify the local police or sheriff's department.

A. All reports shall be assessed at the time they are received to determine the agency's initial response.

For complaints alleging that a child is abandoned, life threatened, or likely to experience physical injury due to abuse, an immediate on site contact with the family and/or child is required.

When a child is not in need of immediate care but is allegedly physically or sexually abused, the local social service agency shall contact the family within 24 hours.

When child is not in need of immediate care but is allegedly neglected, the local social service agency shall contact the family within 72 hours.

Reports for which no response is required include those which do not fall within the parameters of child maltreatment (although a referral to a more appropriate agency may be made); those which do not contain enough information to be investigated; or those which concern a complaint that has recently been investigated and determined to be unsubstantiated.

B. Where contacts with the family are required the child protection worker shall assess the validity of the complaint.

C. If upon the initial assessment there appears to be substance to the complaint, the child protection worker shall attempt to determine the following:

(1) the risk posed if the child or children involved remain in the home environment;

(2) the current physical and/or emotional condition of the child or children involved, as well as an assessment of prior injuries;

(3) the name, address, age, sex, and relationship of the alleged perpetrators to the involved child/children; and

(4) family composition, including the name, age, and sex of the child or children involved.

D. If the child protection worker determines that neither neglect nor abuse are present but that the family may be experiencing problems, the worker may:

(1) offer the family such services as may be appropriate; and

(2) inform the family of the agency's availability and willingness to work with the family upon request.

E. If the child protection worker determines that the child is in need of immediate care due to circumstances or surroundings that jeopardize the child's physical or mental health or welfare, the parents must be given the opportunity to voluntarily place the child or seek an alternative that, in the worker's judgment, assures the safety of the child.

F. If when given the opportunity, the parents are unwilling or unable to cooperate, the child protection worker shall petition the court for immediate custody of the child or seek the assistance of a peace officer in taking the child into custody.

G. The local social service agency shall file a petition in juvenile court for an extension of time to hold a child in a shelter care facility longer than 72 hours excluding weekends or holidays when the agency determines that it is necessary to detain a child for his or her own protection.

H. When placing a child in a shelter care facility, the local social service agency shall determine whether disclosure of the location of the facility to the child's parent, guardian, or custodian may place the child in danger. The decision of whether or not to disclose the location shall then be contained in the written report to the court and to the facility supervisor.

Subp. 3. **Keeping the child in his house.** Where the need for protective intervention has been established, the local social service agency shall, whenever possible, provide services that preserve the child within the family unit while at the same time assuring the child a safe environment. Such services may include, but are not limited to: family counseling, homemaking services or in-home services, and referral to parent support organizations to courses in parenting or child care such as may be available in the community.

Subp. 4. **Court intervention.** If services necessary to provide the child a safe environment are rejected, the child protection worker shall petition the court for authorization to intervene.

Subp. 5. **Summary of agency's findings.** Following the assessment of a child abuse or neglect report, the local social service agency shall, when requested, provide the reporting party a summary of the agency's findings. The summary shall be limited to:

A. the agency's determination that the report was either substantiated, unsubstantiated, or presently inconclusive;

B. the agency's intention to provide, or not provide, or refer to, remedial services; and

C. the local social service agency may deny the request of the reporting party if it determines that disclosure of the information is detrimental to the child's best interests.

Subp. 6. **Nonemergency removal from home.** When the need for removal of a child from its home is considered necessary but not emergent, the local social service agency shall request permission of the juvenile court for sufficient time to place the child in an orderly fashion.

**Subp. 8. Abuse in supervised or licensed facility.** When child maltreatment is reported in a state supervised or licensed facility, including a foster home, the local social service agency shall immediately contact the facility to determine the validity of the report.

**Subp. 2. Case placement plan.** The agency shall prepare a written plan for each child who is placed in a foster home or residential facility. The plan must be prepared before the child is placed unless the child's situation requires immediate placement. If an emergency placement is necessary, the case plan must be prepared within 30 days after the initial placement.

The case placement plan must include the following components:

A. The agency's assessment of the family, including:

(1) a list of the presenting problems which brought the family to the agency, or a statement of why the agency intervened in the family situation;

B. A signed agreement among the agency, the parents, and, if able to understand the meaning of this agreement, the child which includes:

(1) an assessment of the specific reasons for the placement of the child in a foster home or institution, including a description of the problems or conditions in the home which necessitated removal of the child from the home;
