9571.0030 DESIGNATION OF COMMUNITY ACTION AGENCIES.

Subpart 1. **Authority to designate.** The designation of a community action agency must be made by the political subdivision or combination of political subdivisions having jurisdiction over the entire area to be served. A designation must be made by the governing body of a political subdivision whose boundaries are at least coextensive with the proposed service area. The power to designate may not be delegated.

Subp. 2. **Notice and documents.** Before a designee may be designated as a community action agency by a political subdivision, the governing body of the political subdivision having the requisite authority must prepare and file with the department a notice of intent to designate and eligibility documents applicable to the designee. The notice of intent to designate must state how the designee meets the requirements for an eligible entity established under the Community Services Block Grant Act. Eligibility documents are the following:

A. evidence of designee's incorporation or proposed efforts toward incorporation, if applicable;

B. evidence of tax exempt status or proposed efforts toward achieving tax exempt status, if applicable;

C. assurance of compliance with the act, including requirements for the composition of the designee's existing or proposed board of directors;

D. a statement that describes the proposed area to be served; and

E. a proposed mission statement.

Subp. 3. **Notice of public hearing.** After the notice of intent to designate and the eligibility documents have been filed with the department, the governing body must hold a public hearing on the proposed designation. Notice of the hearing must be given according to items A to D.

A. At least 30 calendar days before the hearing date, the governing body must send a copy of the notice of intent to designate and information on the date, time, location, and subject matter of the public hearing to all local units of government within the designee's intended service area. During the 30 days before the hearing, the affected local units of government will have an opportunity to respond in writing to the proposed designation. All comments received will be included in the official record of the hearing.

B. During the 30-day period and at least ten calendar days before the hearing, the governing body must also publish a notice of public hearing in a daily newspaper of general circulation at the county seat of each county in the designee's proposed service area. The

published notice must describe the time, date, location, and subject matter of the public hearing.

C. The governing body must inform the department of the public hearing at least 30 calendar days before the hearing date.

D. Within the 30-day period and at least ten calendar days before the public hearing, the department must mail notice of the public hearing to all low-income households identified in the proposed service area. This mailed notice must contain the date, time, location, and subject matter of the public hearing. Identified low-income households are those specified on the previous community action agency's list or lists of clients.

Subp. 4. **Public hearing.** A public hearing must be held 30 calendar days before designation may occur. If the area to be served by the designee includes more than one county, a public hearing in conformity with this part must be held in each county to be served.

Subp. 5. **Hearing procedure.** The governing body will appoint a presiding officer to conduct the public hearing. The governing body, however, may not appoint one of its current members as the presiding officer. The presiding officer will not have a vested interest in the outcome of the proposed designation and will ensure that all persons involved in the hearing are treated fairly and impartially. At the public hearing, the representative of the designee and a representative of the governing body will make an affirmative presentation of facts establishing the designee's qualifications, expertise, and experience in providing community action program services to low-income people. Furthermore, the designee's representative will describe the mission of the community action program, the focus and direction of proposed services, and the goals for outreach to and participation by low-income people. The designee may rely upon facts presented by others on the record during the hearing to support its proposed designation. At the hearing, any interested person will be given the opportunity to present testimony and to ask questions of the designee's representative and of the governing body's representative. Furthermore, any interested party may submit written comments or exhibits.

Subp. 6. **Official record.** An official record of the hearing consisting of an electronic recording and minutes of the proceedings must be kept. The official record must also include all testimony, written comments, and exhibits received pertaining to the proposed designation. The hearing record must remain open to receive written comments and exhibits for 20 calendar days following the date of hearing.

Subp. 7. **Official resolution.** Once the official record of the public hearing is received and 30 calendar days have passed from the date of the hearing, the governing body may act to designate the designee as a community action agency. The governing body must pass a resolution designating the designee as a community action agency if after review of the official record the governing body finds that:

- A. the opinion of the community was fairly and impartially expressed;
- B. the opinion of low-income people in particular was actively encouraged, representatively sampled, and fairly expressed during the whole process;
- C. the designee established the qualifications, expertise, and experience necessary to be an effective community action agency; and
- D. the designee's proposed mission, services, and goals were supported by testimony and written comments received as a result of the public hearing process.

Subp. 8. **Review by department.** Before provisional recognition may occur in part 9571.0040, subpart 1, the governing body must have submitted to the department for review copies of the following documents:

- A. eligibility documents required in subpart 2;
- B. official resolution of the governing body designating the designee;
- C. notices of public hearing and a list of all publications and dates of publication of notices of hearing;

1068

D. list of all local units of government sent copies of the notice of intent to designate and the notice of public hearing, including any responses received;

E. affidavit of service of the notice of public hearing upon low-income households identified in the service area; and

F. official record of the hearing.

Subp. 9. **Costs.** Costs attributable to the designation process, including costs associated with public hearings other than contested case hearings, are the responsibility of the governing body.

9571.0040 RECOGNITION OF COMMUNITY ACTION AGENCIES.

Subpart 1. **Provisional recognition.** The department will provisionally recognize a designation if the department establishes compliance with applicable state law, federal law, all the designation requirements of part 9571.0030, and, where applicable, with the change of designation requirements of part 9571.0050. Provisional recognition may occur within 60 calendar days of the department's receipt of the documents required in part 9571.0030, subpart 8, an approved transition plan, where applicable, as specified in part 9571.0050, subpart 4, and the most current copies of the following:

A. articles of incorporation and bylaws;

B. Internal Revenue Service certificate of 501(c)(3) tax exempt status and Minnesota Department of Revenue certificate of tax exempt status where applicable to nonprofit community action agencies; and

C. list of board of directors, including their addresses and telephone numbers, that indicates officers and committee memberships, and the sector each director represents.

If the department finds noncompliance it must inform both the governing body and the designee within the 60-day period and, if possible, offer remedies for achieving compliance.

Subp. 2. **Governor's recognition.** After the requirements in subpart 1 have been met and the department has provisionally recognized a designation, the department will request recognition by the governor.

Subp. 3. **Maintenance of recognition records.** To maintain recognition, a community action agency must maintain the following records and make current copies available to the department as requested:

A. articles of incorporation with any amendments and bylaws with any amendments;

B. Internal Revenue Service certificate of 501(c)(3) tax exempt status and Minnesota Department of Revenue certificate of tax exempt status where applicable to nonprofit community action agencies;

C. list of board of directors, including their addresses and telephone numbers, that indicates officers and committee memberships, tenure on the board, and the sector each director represents as required by the act;

D. board minutes of the past year and latest annual corporate report;

E. organizational chart, personnel policies, data privacy policies, affirmative action plan, voter registration plan, and client service appeals policy; and

F. the planning and evaluation processes described in parts 9571.0120 and 9571.0130.

Subp. 4. **Merging of designated and recognized community action agencies.** Two or more community action agencies previously designated by one or more governing bodies

and recognized by the state may seek approval to merge their organizations. The boards of directors of the community action agencies seeking to merge must:

- A. notify the department of their intent to merge;
- B. submit to the department a transition plan for the composition of the board of directors, the leadership and staffing of the merged agency, and the uninterrupted continuation of services; and
- C. provide documentation showing that the board of directors of each community action agency involved in the proposed merger supports the merger.

Subp. 5. **Review and approval of merger transition plan.** The department has 60 days from the date of receipt of the transition plan to either approve or disapprove the plan. The department may request additional information and meetings with the boards of directors or their representatives and with the leadership of the agencies. The department will consider the proximity of the service areas and the priorities listed in part 9571.0050, subpart 2, when it reviews proposed merger plans. If the transition plan is not approved, the department must provide written comments and the options for remedy of the department's concerns. The boards of directors may submit a subsequent transition plan consistent with the department's comments.

9571.0050 CESSATION AND CHANGE OF DESIGNATION.

Subpart 1. **Circumstances for cessation.** A governing body may change its designation of a community action agency to serve the area under its jurisdiction after a request to cease all community action program operation in the entire area has been received from the designated community action agency.

Subp. 2. **Priority among possible designees.** A governing body may choose a designee under this part, in descending order of priority, by:

- A. requesting an existing community action agency that is located and is providing services in a contiguous area to expand its program operations into the service area;
- B. requesting an existing community action agency closest to the service area or an existing community action agency within reasonable proximity to the service area to expand its program operations into the service area, if no existing community action agency in a contiguous area agrees to expand its operations; and
- C. nominating any entity eligible or potentially eligible to be designated under federal law and regulations and to be recognized under part 9571.0040, when no community action agency accepts the request to operate in the service area.

Subp. 3. **Procedure.** The governing body must follow the procedure in part 9571.0030 in order to change designation and must also prepare a transition plan for continuation of community action program services. The governing body must submit the transition plan to the department simultaneously with the notice of intent to designate. In addition to the notice requirements in part 9571.0030, subpart 3, the governing body must also serve copies of the notice of intent to designate and the notice of public hearing upon any existing community action agency concurrently operating in the same political subdivision and all subgrantees in the service area. Upon request, copies of the designee's eligibility documents and the transition plan must be made available by the governing body to any interested party.

Subp. 4. **Additional review by department.** In addition to the review requirements in part 9571.0030, subpart 8, the department must also review the transition plan for service delivery in the interim before the governor's recognition as provided in part 9571.0040, subpart 2. The department has 30 calendar days from the date of receipt of the transition plan to either approve or disapprove of the plan. If the transition plan is not approved, the

governing body may not proceed to designate a community action agency under the procedure of part 9571.0030. Without an approved transition plan in operation, the department will not forward to the governor a request for recognition as provided in part 9571.0040. If the transition plan is not approved, the governing body may submit a subsequent transition plan consistent with the department's comments. Along with the transition plan, the department must also receive evidence of service of additional notice on interested parties as required in subpart 3.

 - (3) serve notice of termination upon the community action agency to be terminated and provide a copy to the department. The notice of termination must:
 - (a) explain the cause for termination;

 - (c) provide a description of the community action agency's appeal rights according to subpart 5; and
 - (4) prepare a transition plan for phasing out currently provided services and for substituting services in the interim until a successor community action agency is recognized. The transition plan must be provided to the department no later than the close of the contested case hearing on the appeal of the terminated community action agency or, if no hearing is held, filing with the department the notice of intent to designate a successor community action agency. The department must approve the plan as well as the interim community action agency providing community action program services.

B. The department will notify low-income households of the termination. Upon request from the department, the community action agency must provide its current list or lists of identified low-income households to the department. Identified low-income households are those specified on the community action agency's list or lists of clients.

C. If a community action agency's designation is terminated and the community action agency's appeal rights have also been exhausted, the department must terminate funding. Where the department intervenes as a party in a contested case concerning termination of designation, funding by the department may be immediately terminated.

Subp. 3. **Termination by department of community action agency funding or recognition.** The department may terminate for cause a community action agency's funding or recognition or both under subpart 1.

- (1) explain the cause for termination;
- (2) describe how the funding may be affected; and
- (3) provide a description of the community action agency's appeal rights according to subpart 5.

C. The department will notify identified low-income households of the termination. Upon request from the department, the community action agency must provide its current list or lists of identified low-income households to the department. Identified low-income households are those specified on the community action agency's list or lists of clients.

Subp. 5. **Appeal procedure.** If, after receipt of the notice of termination, a grantee is aggrieved, the grantee may request a contested case hearing from the department within 30 calendar days of the receipt of the notice. If the grantee's request for a contested case hearing is not received by the department during the 30-day period the grantee loses its

9571.0060 COMMUNITY ACTION PROGRAMS

right of appeal under this subpart. The hearing will be initiated and conducted according to parts 1400.8505 to 1400.8612 unless the grantee objects within ten business days. If the grantee objects, the hearing will be conducted according to parts 1400.5010 to 1400.8401. The request for a contested case hearing before an administrative law judge must be in writing. As provided for in part 1400.6200 or 1400.8570, the department will have the right to intervene as a party in a contested case hearing on termination of designation by a governing body.

Subp. 7. **Successor.** If a community action agency's designation or recognition is terminated, the governing body will follow the priority guidelines in part 9571.0050, subpart 2, and the procedure in part 9571.0030 to designate a successor.

Subp. 8. **Costs.** Only costs directly attributable to the contested case hearing process in subpart 5 are the responsibility of the department.

9571.0090 WITHHOLDING OF CASH DISBURSEMENTS.

Subpart 1. **Circumstances for withholding.** The department will withhold cash disbursements available for drawdown under a grant, wherever appropriate, in lieu of termination under part 9571.0060 if a grantee is not:

- A. complying with the reporting requirements of the grant as required by its grant contract with the department;
- B. following its submitted and approved work plan or budget or both;
- C. fulfilling the terms of its grant contract; or
- D. maintaining recognition as provided in part 9571.0040, subpart 3.

Subp. 2. **Notice, of withholding.** Before withholding cash disbursements, the department will notify the grantee of its defective action or omission, inform the grantee of potential withholding and specify a reasonable date by which corrective action should occur. The specified date must be at least ten working days from the date of the grantee's receipt of the notice of withholding. If the defect is not remedied satisfactorily by the date specified in the notice, the department will begin to withhold available funds after that date. Upon remedying the defect, the department will reimburse the grantee for the time period between the date of the withholding in the notice to the date the defect was remedied if the

grantee submits a cash request, with documentation, that clearly substantiates that expenses were used by the grantee to perform services according to the grant contract.

Subp. 3. **Conversion option.** During any time within 90 calendar days following the department's actual withholding of funds, the grantee may, at its option, convert the withholding to a termination under part 9571.0060, subpart 1, item C, with right to a contested case hearing. A grantee must request in writing both a conversion to termination and a contested case hearing. After receipt of a grantee's request for conversion to termination and a contested case hearing, the department must initiate a contested case hearing and the department must initiate contested case proceedings as provided in part 9571.0060, subpart 5. The department will also send the grantee a notice of termination and comply with the other procedural requirements of part 9571.0060, subpart 3 or 4.

Subp. 4. **Notice and termination.** If the grantee has not exercised its right of conversion during 90 days of withholding and if the defect has not been remedied during 90 days of withholding, the department will proceed under part 9571.0060, subpart 1, item D, to terminate the grantee's available funding for a period covering the total of:

- A. the time during which the funds have been withheld; and
- B. the time remaining before the grant expires.

The department must first issue a final notice ten calendar days before proceeding to termination under part 9571.0060. If following a period of funding termination for failure to remedy a defect, the grantee has still not successfully remedied the identified defect, the department will deny subsequent applications by the grantee under part 9571.0150, subpart 5, item D, until corrective action has occurred.
