

1260.0300 ELIGIBILITY.

Subpart 1. **Standards.** Standards and guidelines for the determination of eligibility are established pursuant to the requirements of FPMR 101-44.207. Eligibility to acquire federal surplus property may include public agencies involved in carrying out or promoting for the residents of a given political area one or more public purposes, including, but not limited to, conservation, economic development, education, parks and recreation, public health, and public safety; or to nonprofit educational or public health institutions or organizations, such as medical institutions, hospitals, clinics, health centers, schools, colleges, universities, schools for persons with developmental disabilities, schools for persons with physical disabilities, child care centers, radio and television stations licensed by the Federal Communications Commission as educational radio or educational television stations, museums attended by the public, and libraries serving free all residents of a community, district, state, or region, which are exempt from taxation under section 501 of the Internal Revenue Code of 1954, as amended, for purposes of education or health, including research for any such purpose. Interested participants shall request on forms obtainable for the FSP activity, a determination of eligibility from the FSP activity at the address listed in part 1260.0200, subpart 5.

Subp. 2. **Written determination.** The FSP activity within a reasonable period of time of receipt of request shall make a written determination of eligibility pursuant to federal and state laws and rules, and such determination shall be sent to the applicant.
