

1300.0225 MAINTENANCE.

All buildings and structures, both existing and new, and all parts of the buildings or structures, shall be maintained in a safe and sanitary condition. All devices or safeguards required by this code shall be maintained in conformance with the code editions under which the devices or safeguards are installed. The owner or the owner's designated agent shall be responsible for the maintenance of buildings and structures. A building official is authorized to require reinspection of a building or structure if the building official is unable to determine whether or not the building or structure complies with this part.
