

**1505.1030 ALTERNATIVE FOR LICENSING REQUIREMENT.**

Upon written application, the commissioner may grant to an individual an alternative for the licensing requirement and procedures set forth in parts 1505.0830 to 1505.1290, provided that:

A. there is good cause why the individual cannot comply with the provision of parts 1505.0830 to 1505.1290;

B. the requirements and procedures provided for in the alternative are equivalent to those set forth in parts 1505.0830 to 1505.1290;

C. when an examination is involved, the subject matter and difficulty of the examination is equivalent to the examination for which the alternative is granted;

D. the intent of the act and parts 1505.0830 to 1505.1290 is not violated; and

E. the environment or the public will not be adversely affected by the alternative requirements or procedures.
