

1510.0404 MAINTENANCE AND OPERATIONS.

Safeguards, storage containers, and mixing, blending, weighing, and handling equipment must be maintained and operated in a manner which will prevent avoidable amounts of particulate matter from leaving the facility. This requirement does not apply to facilities governed by this rule which were established prior to the date of its adoption unless the existing facility, without modification, would result in a hazard to people's lives, adjoining property, or the environment.

Storage containers must be maintained to prevent cross contamination of various dry commercial fertilizers.

Storage container areas must be kept free of clutter and ignitable materials including weeds and long dry grass.
