

1520.6900 GENERAL TERMINOLOGY AND CLASSIFICATION.

The official classification terms defined in parts 1520.7100 and 1520.7200 and the various designs illustrative of the official classifications may be used only by those who are participating in the plan with both the department and the board and to describe products that have met all the specific requirements of such classifications. Products produced under the plan shall lose their identity under plan terminology when they are purchased for resale by or consigned to nonparticipants.
