

**1540.0870 REJECTION OF INSANITARY EQUIPMENT, UTENSILS, ROOMS, OR COMPARTMENTS.**

When, in the opinion of a department employee, any equipment, utensil, or room at any slaughterhouse, retail meat market, wholesale meat processing plant, frozen food processing plant, or sausage plant is unclean or its use would be in violation of any of parts 1540.0010 to 1540.4520, the employee will attach a "Minnesota rejected" tag thereto. No equipment, utensil, or room so tagged shall be used until made acceptable and the tag removed. Such tag so placed shall not be removed by anyone until the equipment, utensil, or room so tagged has been placed in acceptable condition.
