

1550.3300 REVIEW OF PLANS.

Before construction or major remodeling of a bottled water plant, or when an existing structure is converted to use as a bottled water plant, properly prepared plans and specifications for construction, major remodeling, or conversion must be submitted to the department for review and approval. The plans and specifications must show the proposed layout, arrangement, mechanical plans, construction materials of work areas, and the type and model of proposed fixed equipment and facilities. The department will treat the plans and specifications as confidential or trade secret information according to law and will approve the plans and specifications if they meet the requirements of parts 1550.3200 to 1550.3260. A bottled water plant may not be constructed, extensively remodeled, or converted except according to plans and specifications approved by the department.
