

1805.1600 RESPONSIBLE CHARGE AND DIRECT SUPERVISION.

Subpart 1. **Responsible charge; defined.** A person in responsible charge of architectural, engineering, land surveying, landscape architectural, geoscience, or certified interior design work as used in Minnesota Statutes, section 326.14 means the person who determines design policy, including technical aspects, advises with the client, superintends subordinates during the course of the work and, in general, the person whose professional skill and judgment are embodied in the plans, designs, and advice involved in the work. Plans and specifications for buildings, structures, or projects of standard design which have been designed outside the state shall bear the certification of the design professional licensed in another United States licensing jurisdiction. In addition, a Minnesota licensed architect, professional engineer, land surveyor, landscape architect, professional geologist, professional soil scientist, or certified interior designer shall review the design and certify that it is appropriate to the site on which construction is proposed and is in compliance with the State Building Code adopted by the Department of Administration where the building code is in effect.

Subp. 2. **Direct supervision; defined.** A person in direct supervision of work as referred to in Minnesota Statutes, section 326.12, subdivision 3, means that person who is the employer, an employee of the same firm, or who is under contract to or from another firm and who is in responsible charge of the technical aspects of the architectural, engineering, land surveying, landscape architectural, geoscience, or certified interior design work in progress, and whose professional skill and judgment are embodied in the plans, specifications, reports, plats, or other documents required to be certified pursuant to that subdivision. A person in direct supervision of work directs the work of other licensees, interns, draftspersons, technicians, and clerical persons assigned to that work and is in responsible charge of the project comprising the work being supervised.
