Subpart 1. **Scope.** The requirements in this part apply to all salon licensees.

Subp. 3. **Compliance.** The licensee must comply with all applicable provisions of Minnesota Statutes and Rules.

Subp. 4. **Maintain insurance.** The salon must maintain any required workers' compensation insurance and professional liability coverage as required by Minnesota Statutes, section 155A.29, subdivision 2, for the salon and salon employees. Within 60 days of the name change, the salon owner must:

- A. submit a salon name change form to the board;
- B. provide legal documentation of the name change and any other documents the business is required to file with the secretary of state under state law because of the name change;
- C. provide a certificate of insurance showing the salon's new name for professional liability insurance;
- D. provide a certificate of insurance in the new salon name for workers' compensation insurance if applicable; and
- E. pay the fees required in Minnesota Statutes, section 155A.25.

Subp. 8. **Change of owner.** A salon license must not be transferred when the salon is sold, or when a corporation owning a salon is sold. If a new license has not been issued by day 61, the salon must cease operations until a license is issued.

Subp. 9. **Change of business structure.** A salon license must not be transferred when the business structure of the owner is changed. The salon must apply for a new salon license and has 60 days after the change of business structure to become licensed according to part 2105.0310. If a new license has not been issued by day 61, the salon must cease operations until a license is issued.

Subp. 10. **Change of DLISM.** The salon owner must inform the board in writing within ten business days of the departure or resignation of the DLISM. The salon has 60 days from the date of the change to register a new DLISM with the board.
