A license terminated by reason of the licensee's failure to comply with the continuing education requirements of parts 2500.1200 to 2500.2000, or failure to submit a completed application for license renewal as prescribed by the board, may be reinstated or restored to full status by following one of the applicable procedures in items A to E.

A. An applicant whose license has been terminated for a period of less than five years, and who can verify continual practice elsewhere during that time, shall be reinstated by completing all interim continuing education and paying all interim licensure fees that would have been required for continual licensure, paying any accrued penalty fees established in part 2500.1100, subpart 3, and repairing any other deficiencies that led to the termination.

B. An applicant whose license has been terminated for a period of greater than five years and who can verify continual practice elsewhere during that time must, in addition to following the procedures in item A, complete the board's jurisprudence examination.

C. An applicant whose license has been terminated for a period of less than five years, and who cannot verify continual practice during that time, shall be reinstated by completing all interim continuing education that would have been required for continual licensure, completing an additional ten units of approved continuing education for each intervening renewal year, paying all accrued penalty fees and interim licensure fees required for continual licensure, and repairing any other deficiencies that led to the termination.

D. An applicant whose license has been terminated for a period of greater than five years, and who cannot verify continual practice during that time, shall be reinstated by paying all accrued penalty fees and interim licensure fees that would have been required for continual licensure, repairing any other deficiencies that led to the termination, taking the board's jurisprudence examination, and completing the Special Purposes Examination in Chiropractic administered by the National Board of Chiropractic Examiners, or other examination approved by the board.

E. At the election of the applicant, the board shall waive any of the continuing education requirements in items A to C upon successful completion of the Special Purposes Examination in Chiropractic administered by the National Board of Chiropractic Examiners, or any other examination approved by the board, within 12 months preceding the application.

Any continuing education units acquired in another jurisdiction for the purposes of license renewal may be applied to item A, B, or C.
