

**2705.3200 POLICY FORMS.**

Workers' compensation insurance must be written using policy forms filed by the data service organization of which the insurer is a member except that if the insurer files a rating plan requiring a policy provision or endorsement for which the data service organization has made no usable filing, then the insurer may file its own policy forms needed to implement its rating plans.

**Statutory Authority:** *MS s 79.55 to 79.61*
