

2745.0030 COGNITIVE IMPAIRMENT.

General standards for determining coverage of long-term care based on cognitive impairment shall be based on an assessment of the insured's ability to perform basic cognitive functions. The definition of cognitive impairment shall not be more restrictive than the definition in this part. "Cognitive impairment" means deficiency in the ability to think, perceive, reason, and/or remember that results in the inability to take care of oneself without the ongoing assistance of or supervision by another person.
