

2890.1700 MAXIMUM LABOR CHARGES FOR WORK PERFORMED DURING ACTIVE REMEDIATION STEPS OF SERVICES.

For a task performed during active remediation-initial field testing; active remediation-data evaluation/site-specific system design; active remediation-system installation, start-up, and operation and maintenance; or active remediation-system decommissioning, the cost is prima facie unreasonable when:

A. it exceeds the amount specified for it in the proposal approved by the board's staff under part 2890.2000, subpart 5; or

B. the proposal that includes it is not approved by the board's staff under part 2890.2000, subpart 5.
