

**2945.5430 FIRST AID.**

Subpart 1. **Training of personnel (mandatory).** Custody personnel responsible for the supervision, safety, and well-being of prisoners must be trained in emergency first aid.

Subp. 2. **First aid kit.** Facilities must have a minimum of one first aid kit located at the facility's control center or primary staff station.

Subp. 3. **Records of illness and injury.** A facility must record all complaints of illness or injury and actions taken.

Subp. 4. **Medical or dental records (mandatory).** Records must be maintained on prisoners under medical or dental care. The records must include at a minimum:

- A. the limitations and disabilities of the prisoner;
- B. instructions for prisoner care;
- C. orders for medication, including stop date;
- D. any special treatment or diet;
- E. activity restriction; and
- F. times and dates when the prisoner was seen by medical personnel.
