

3100.1370 GUEST LICENSE.

Subpart 1. **Licensure application requirements.** A person who is currently a licensed dentist, dental therapist, dental hygienist, or dental assistant in good standing and engaged in the practice of dentistry in another United States jurisdiction may apply for a guest license by providing the board:

- A. a completed application;
- B. a form of current government-issued identification;
- C. the fee in Minnesota Statutes, section 150A.091, subdivision 2;
- D. evidence of having graduated from either a school of dentistry, dental therapy, dental hygiene, or dental assisting accredited by the Commission on Dental Accreditation;
- E. evidence that the clinic at which the licensee practices is a nonprofit organization that is a public health setting;
- F. documentation of current CPR certification; and
- G. a criminal background check as required by Minnesota Statutes, section 214.075.

Subp. 2. **Terms of license renewal.** A guest license may be renewed annually at the end of the calendar year according to Minnesota Statutes, section 150A.06, subdivision 2c. The board shall send a notice to a licensee who has not renewed their guest license. The notice must state the amount of the guest license renewal fee. The licensee must renew their guest license within 30 days of the expiration date of the license or the board shall administratively terminate the guest license and the right to practice. The board must not consider an administrative termination of a guest license as a disciplinary action against the licensee.

Subp. 3. **Professional development.** A person holding a guest license must complete the professional development requirements under part 3100.5100.

Subp. 4. **Anesthesia, sedation, and nitrous oxide.** A person applying for a guest license to practice dentistry, dental therapy, dental hygiene, or dental assisting who wants the authority under the license to administer a pharmacological agent for the purpose of general anesthesia, deep sedation, or moderate sedation or to administer nitrous oxide inhalation analgesia must comply with the applicable requirements of part 3100.3600.
