

3505.5600 AID LIMITATIONS.

Expenditures jointly funded by career and technical and special education or other sources (not including general education revenue and local levy) shall be eligible for revenue at a rate not to exceed the maximum of either revenue. When a district or center sells products or services produced in an approved program, the revenue from sales shall be recognized. This revenue may be used for expenditures which are directly related to an approved secondary career and technical program. If the revenue from sale of products or services exceeds the cost to produce those products or services in any fiscal year, the excess revenue shall be used in another career and technical program.
