

4601.2000 DOCUMENTATION OF DEATH; DELAYED REGISTRATION OF DEATH.

Documentation of death for a delayed death registration must be filed with a registrar according to parts 4601.1500 to 4601.1800 within five days of the discovery that documentation of death has not been filed. If fact of death, demographic, and cause of death information cannot be provided, a court order establishing the fact of death is required to register the death.
