

4626.0240 3-302.12 FOOD STORAGE CONTAINERS; IDENTIFIED WITH COMMON NAME OF FOOD.

Working containers holding food or food ingredients that are removed from their original packages for use in the food establishment, including cooking oils, flour, herbs, potato flakes, salt, spices, and sugar, shall be identified with the common name of the food except that containers holding food that can be readily and unmistakably recognized, including dry pasta, need not be identified. The identification must be in English and any other language used by the employees of the food establishment who handle food.
