

4626.0695 CLOTHES WASHERS AND DRYERS. 4-301.15

A. Except as specified in item B, if work clothes or linens are laundered on the premises, a mechanical clothes washer and dryer must be provided and used.

B. If on-premises laundering is limited to wiping cloths intended to be used moist, or wiping cloths are air-dried as specified in part 4626.0940, a mechanical clothes washer and dryer need not be provided.
