

4626.1445 6-301.12 HAND DRYING PROVISION.

Each handwashing lavatory or group of adjacent lavatories shall be provided with:

- A. individual, disposable towels;
- B. a continuous towel system that supplies the user with a clean towel; or
- C. a heated-air hand drying device except that a heated-air hand drying device shall not be the only device provided at a sink used by food employees in a food preparation or warewashing area.
