

4626.1787 PERFORMANCE AND RISK-BASED INSPECTIONS. 8-401.20

Within the parameters in part 4626.1785, the regulatory authority shall prioritize and conduct more frequent inspections based upon:

- A. the hazards associated with the particular foods that are prepared, stored, or served;
- B. a history of noncompliance with priority 1 or priority 2 items of this Code; or
- C. a history of noncompliance with HACCP plan requirements.
