

4640.4400 STAFF.

Subpart 1. **Medical director.** There shall be a medical director who shall be a licensed physician with training and experience in the field of tuberculosis and chest diseases and who shall assume responsibility for the adequacy of the medical care rendered.

Subp. 2. **Medical and nursing staff.** An adequate medical staff shall be provided to assure optimum care of patients at all times. The director of the nursing service shall be a well-qualified, registered nurse with training and experience in tuberculosis. There shall be a sufficient number of nurses and attendants under the director's supervision to assure optimum care of patients at all times.

Subp. 3. **Other staff.** The staff shall include a sufficient number of qualified medical social workers, teachers, and physical and occupational therapists to provide services and rehabilitation for the number of patients accommodated.
