

4658.0070 QUALITY ASSESSMENT AND ASSURANCE COMMITTEE.

A nursing home must maintain a quality assessment and assurance committee consisting of the administrator, the director of nursing services, the medical director or other physician designated by the medical director, and at least three other members of the nursing home's staff, representing disciplines directly involved in resident care. The quality assessment and assurance committee must identify issues with respect to which quality assurance activities are necessary and develop and implement appropriate plans of action to correct identified quality deficiencies. The committee must address, at a minimum, incident and accident reporting, infection control, and medications and pharmacy services.
