

4658.0405 COMPREHENSIVE PLAN OF CARE.

Subpart 1. **Development.** A nursing home must develop a comprehensive plan of care for each resident within seven days after the completion of the comprehensive resident assessment as defined in part 4658.0400. The comprehensive plan of care must be developed by an interdisciplinary team that includes the attending physician, a registered nurse with responsibility for the resident, and other appropriate staff in disciplines as determined by the resident's needs, and, to the extent practicable, with the participation of the resident, the resident's legal guardian or chosen representative.

Subp. 2. **Contents of plan of care.** The comprehensive plan of care must list measurable objectives and timetables to meet the resident's long- and short-term goals for medical, nursing, and mental and psychosocial needs that are identified in the comprehensive resident assessment. The comprehensive plan of care must include the individual abuse prevention plan required by Minnesota Statutes, section 626.557, subdivision 14, paragraph (b).

Subp. 3. **Use.** A comprehensive plan of care must be used by all personnel involved in the care of the resident.

Subp. 4. **Revision.** A comprehensive plan of care must be reviewed and revised by an interdisciplinary team that includes the attending physician, a registered nurse with responsibility for the resident, and other appropriate staff in disciplines as determined by the resident's needs, and, to the extent practicable, with the participation of the resident, the resident's legal guardian or chosen representative at least quarterly and within seven days of the revision of the comprehensive resident assessment required by part 4658.0400, subpart 3, item B.
