

4720.5340 SECOND SCOPING MEETING PROCEDURES.

Subpart 1. **Scoping meeting; remaining portion of wellhead protection plan.** A public water supplier and the department shall meet to discuss the data elements specified in part 4720.5400 that the department determines must be contained in the wellhead protection plan and used to prepare the remaining portion of the wellhead protection plan.

Subp. 2. **Scoping decision; notice.** No later than 30 days after the scoping meeting specified in subpart 1, the department shall notify the public water supplier in writing of the data elements specified in part 4720.5400 that must be:

- A. used to prepare the remaining portion of the wellhead protection plan;
- B. contained in the wellhead protection plan; and
- C. submitted to the department.
