

4720.5350 LOCAL REVIEW; PUBLIC HEARING.

Subpart 1. **Submittal to local units of government.** The public water supplier must submit a copy of the remaining portion of the wellhead protection plan to:

- A. local units of government wholly or partly within the wellhead protection area;
- B. the regional development commission, if any; and
- C. watershed districts and watershed management organizations wholly or partly within the wellhead protection area.

Subp. 2. **Local review.** A public water supplier must allow 60 days for the governmental units identified in subpart 1 to comment in writing on the remaining portion of the wellhead protection plan.

Subp. 3. **Comments; consideration.** A public water supplier must consider comments of a local unit of government, regional development commission, watershed district, or water management organization, if any, that:

A. identify and describe any conflict the commenting party has with the plan, when the conflict is not already identified in the remaining portion of the wellhead protection plan; and

B. state the commenting party's position on a conflict identified by the public water supplier for consideration by the department during the department's review of the plan.

Subp. 4. **Public hearing.** A public water supplier must conduct a public hearing on the wellhead protection plan after the 60-day period for local review and comment is completed and before submitting the plan to the department.
