

4720.5570 AMENDMENTS TO WELLHEAD PROTECTION PLAN.

Subpart 1. **Amendments required.** A public water supplier must review and amend a wellhead protection plan:

- A. if a well is added to the public water supply system;
- B. if the boundaries of a wellhead protection area being delineated overlaps the boundaries of a department approved wellhead protection area of another public water supply system; or
- C. every ten years from the date of the last approval of a plan by the department.

Subp. 2. **Amendment procedure.** Amendments to a wellhead protection plan must be developed and reviewed in the same manner specified in parts 4720.5300 to 4720.5360 for an initial wellhead protection plan.

Subp. 3. **Amendment timing.** The process of amending a wellhead protection plan in compliance with subpart 1, item C, must begin eight years after the date of the last approval of a plan by the department.

Subp. 4. **Amendment criteria.** Amendments to a wellhead protection plan must comply with parts 4720.5200 to 4720.5290 and 4720.5500 to 4720.5540.
