

**4731.3130 MODIFICATION AND REVOCATION OF LICENSES.**

A. The terms and conditions of a license issued under parts 4731.3000 to 4731.3245 are subject to amendment, revision, or modification by reason of rules and orders issued according to this chapter.

B. A license may be revoked, suspended, or modified, in whole or in part, for any material false statement in the application or any statement of fact required under Section 182 of the Act, or because of conditions revealed by such application or statement of fact or any report, record, or inspection or other means, which would warrant the commissioner to refuse to grant a license on an original application or for violation of or failure to observe any of the terms and provisions of any rule or order of the commissioner.

C. Except in cases of willfulness or those in which the public health, interest, or safety requires otherwise, no license must be modified, suspended, or revoked unless, prior to the institution of proceedings therefore, facts or conduct that may warrant such action are called to the attention of the licensee in writing and the licensee is accorded an opportunity to demonstrate or achieve compliance with all lawful requirements.
