#### **4830.0700 METHOD OF PAYMENT.**

Subpart 1. **Payments to schools.** After a grant award is determined, the award amount shall be sent by the commissioner to the school chosen by the recipient or the school shall withdraw the award amount from its state grant account. The school shall apply the award to the recipient's educational costs in the following order: tuition, fees, books, supplies, and other expenses. The costs must be prorated for each term of the academic year. The school shall notify each recipient that the award is ready for disbursement.

Subp. 2. **Refunds.** A grant is awarded for full-time attendance at a specified school for up to four quarters or three semesters within the state fiscal year. If a recipient fails to enroll or reduces enrollment, the school must refund the unused portion of the award. If the commissioner determines that a school has

fraudulently handled grant money, the refund of the unused portion of the award is immediately due, and the office may institute a civil action for recovery if necessary. Refunds to the office are determined as follows:

A. calculate the percentage the state grant award represents of the student's total financial aid package for the applicable term, excluding funds received from federal Title IV programs, United States Code, title 20, sections 1070-1099;

B. calculate the total tuition refund amount using the refund calculation required of schools participating in federal Title IV programs;

C. subtract the federal aid programs' refund amount from item B to determine the remaining tuition refund amount; and

D. multiply the percentage in item A by the amount calculated in item C to determine the amount to be refunded to the state grant program.

Refunded money to the state grant program is available for awards to eligible students.

Subp. 3. **School accounting requirements.** Schools shall maintain separate accounts for grant funds. Refunds to the state grant program must be accompanied with a list stating the social security number, name, award type, amount of refund, term, and refund code for each student included in the refund. The refund must be made to the program within 30 days from the end of the academic term, or 30 days from the date the school is notified of a student's withdrawal, whichever is less. Schools must provide evidence, prepared according to generally accepted accounting principles, that all awards have either been distributed or refunded to the program.

Subp. 4. **Recovery of overpayments.** An overpayment occurs when a grant recipient receives more money than the recipient is eligible to receive under the award calculation. A grant recipient shall reimburse the state grant program for overpayment regardless of the cause. The overpayment amount is the difference between the amount received and the calculated award eligibility. The reimbursement amount includes any costs or expenses incurred by the office in collecting the debt, including reasonable attorney fees. The reimbursement is recoverable from the recipient or the recipient's estate. The office may institute a civil action for recovery if necessary.

The recipient must not receive additional awards until the overpayment is recovered or the recipient is making payments under an approved plan. Additional awards for which the recipient is eligible may be used to recover an unreimbursed overpayment.

#### **4830.7400 APPLICATION AND DISTRIBUTION OF FUNDS FOR GRANTS.**

Subpart 1. **Initial allocation formula.** Funds shall be allocated to each eligible institution according to the following formula:

- A. the institution's share divided by the sum of participating institutions' shares; and
- B. multiplied by the current fiscal year's appropriation for child care grants.

Subp. 2. **Yearly allocation to institutions.** Funds shall be allocated to each eligible institution according to the following formula:

- A. the institution's share divided by the sum of participating institutions' shares;
- B. multiplied by the current fiscal year's appropriation for child care grants;
- C. multiplied by the percent of funds for child care grants actually used by the institution during the prior academic year.

Subp. 3. **Reallocation.** The office shall reallocate available funds at least twice during the academic year to institutions requesting additional child care grant funds according to the following formula:

- A. the institution's share divided by the sum of the shares of institutions requesting additional funds; and
- B. multiplied by the amount of child care grant funds available for reallocation.

Subp. 4. **Administrative expense.** By July 1 of each year, the office shall set the percentage of awarded child care grant funds that may be used for administration of the child care grant program by the office and the institution. The percent of funds taken for the administration of the child care grant program shall be based on the net amount spent on child care grant awards for that fiscal year.

Subp. 5. **Notification.** The office shall notify each participating institution in writing of allocation and reallocation amounts.

Subp. 6. **Accountability.** Each participating institution shall be accountable for any funds disbursed to students for child care grants. Funds may be used only during the fiscal year of disbursement. If a student does not use a grant because the student does not enroll or withdraws from the institution, the institution may use the funds for other eligible students or return them to the office.

Subp. 7. **Unused funds.** An institution shall return funds that the institution determines will not be used within 30 days from the date of a request by the office. The office shall reallocate unused funds to other participating institutions requesting additional funds.

**4830.7500 AMOUNT AND TERM OF GRANTS.**

Subpart 1. [Repealed, 19 SR 1636]

Subp. 2. **Amount.** The amount of a grant must be based on:

- A. the cost of child care for each child 12 years old or younger, or 14 years old or younger if the child is disabled as defined in Minnesota Statutes, section 120.03;
- B. the provider's charge up to a maximum rate established each year by the office;
- C. the student's enrollment status; and
- D. the award chart prepared by the office.

The institution shall estimate the amount of child care needed for the academic year and summer terms, and may add an amount up to that estimated cost to the institution's normal student budget used to calculate the student's financial need. The child care grant and other forms of financial aid may be used to pay for the child care if the expense is not covered by other funds.

Subp. 2a. **Academic year grant.** Beginning with the 2001-2002 academic year, the maximum grant per eligible child for the academic year is the amount specified in Minnesota Statutes, section 136A.125, subdivision 4, minus a student expectation based on family income.

The formula used to calculate the child care grant is as follows: the statutory maximum child care grant amount minus ((family income minus 130 percent of the federal poverty level for the student's family size) multiplied by ten percent) equals the child care grant. If the formulaic result is less than zero, the grant is set to zero. If the formulaic result is greater than the maximum statutory grant, the grant amount is the statutory maximum grant.

Subp. 2b. **Award disbursements.** The academic year award amount must be disbursed by academic term using the following formula:

- A. the academic year amount described in subpart 2a;
- B. divided by the number of terms in the academic year;
- C. divided by 15; and
- D. multiplied by the number of credits for which the student is enrolled that academic term, up to 15 credits.

Payments shall be made each academic term to the student or to the child care provider, as determined by the institution. Institutions may make payments more than once within the academic term.

Subp. 2c. **Summer term grant.** Students attending summer school may receive an additional grant per eligible child up to one-third of the academic year grant described in subpart 2a for quarter-based schools and up to one-half the academic year grant described in subpart 2a for semester-based schools.

Subp. 3. [Repealed, 19 SR 1636]

Subp. 3a. **Annual grant amount.** The annual maximum grant per eligible child must not exceed the calculated amount in subpart 2a plus the amount in subpart 2c, or the student's estimated annual child care cost for not more than 40 hours per week per eligible child, whichever is less.

Subpart 2 and part 4830.7720 are not applicable to students who are denied child care grants due to lack of program funds.

Subp. 2. **Termination.** When terminating a student's child care grant, a school must follow its normal procedures used to terminate other financial aid awarded. If the child care grant is made by vendor payment, the school shall inform the child care provider of the notice of termination.

#### **4830.7720 APPEAL PROCESS.**

Subpart 1. **Appeal request.** An applicant or recipient of a child care grant adversely affected by a school's action may file a written request for an appeal with the school.

Subp. 2. [Repealed, 19 SR 1636]

Subp. 3. **Appeal process.** Students must follow the normal appeal process established by the school to handle complaints about financial aid program decisions. If the student is not satisfied with the result of the appeal, the student may ask the school to forward the results to the commissioner of the Minnesota Office of Higher Education for review. The commissioner shall review the decision and accompanying documentation, and shall make a decision according to Minnesota Statutes, section 136A.125, and parts 4830.7000 to 4830.7900. The student and school shall be advised in writing of the commissioner's decision. The commissioner's decision is final.

**4830.7800 REFUNDS.**

If a recipient fails to enroll or reduces enrollment, the school must refund the unused portion of the grant to the child care grant program. If the commissioner determines that a school has fraudulently handled grant money, the refund of the unused portion of the grant is immediately due to the office, and the office may institute a civil action for recovery if necessary. Refunds to the child care grant program are determined as follows:

A. calculate the percentage that the child care grant represents of the student's total financial aid package for the applicable term; excluding funds received from federal Title IV programs, United States Code, title 20, chapter 28, sections 1070 to 1099c-1;

B. calculate the total tuition refund amount using the refund calculation required of schools participating in federal Title IV programs, United States Code, title 20, chapter 28, sections 1070 to 1099C-1;

C. subtract the federal aid programs' refund amount from item B to determine the remaining tuition refund amount; and

D. multiply the percentage in item A by the amount calculated in item C to determine the amount to be refunded to the child care grant program.

Refunded money to the child care grant program is available for grants to eligible students.

D. submit fiscal year program activity reports and student data reports to the office.

Fiscal year program activity reports and student data reports are required by the office. Institutions shall correctly complete and submit all required reports and any applicable refunds to the office by the first working day after August 9. Subpart 1. **Institutional request.** After verifying a student's eligibility, the eligible institution must submit a written request to the commissioner for payment of the Minnesota National Service Scholars Matching Grant for the student. A copy of the student's certificate of eligibility must accompany the institution's request for payment. The request for payment must verify that the student has received a national service scholarship, indicate the name and address of the postsecondary institution enrolled in by the student, and the academic term for which the award will be used.

Subp. 2. **Deadline.** The request for grant money must be received by the commissioner no later than the last day of classes for the fiscal year for which grant money is requested.

B. calculating the total tuition refund amount using the refund calculation required of schools participating in federal Title IV programs;

C. subtracting the federal aid programs' refund amount from item B to determine the remaining tuition refund amount; and

D. multiplying the percentage in item A by the amount calculated in item C to determine the amount to be refunded to the matching grant program.

Refunded money is available to the commissioner for awards to other eligible students.
