B. Because sufficient public land exists between Faribault and Northfield, all public recreational facilities in this area shall be located on existing public land.

C. The development of public or private facilities within the land use district shall conform to the site typicals in these rules. In addition, when establishing rest areas, sufficient land shall be acquired to provide a 300-foot buffer zone between the activity area and adjacent property.

D. DNR rest areas shall not be established closer than four miles to existing DNR rest areas and shall be inaccessible by road.

E. To establish the Cannon River as a day use river the DNR shall establish no overnight camping areas along the river.

F. All public and private camping areas established along the river shall be subject to all rules of the Minnesota Pollution Control Agency, the Minnesota Department of Health, and all local zoning ordinances.

G. If a recreational site is found in violation of Department of Public Health rules more than three times in one season, the site shall be closed.

H. No special DNR facilities solely for the use of motorboats shall be provided.

I. The DNR shall not develop or provide for trails within the land use district. This shall not include local trails or state-funded grant-in-aid trails.

J. Snowmobile use on lands in the land use district shall be allowed on private lands, only with the permission of the appropriate landowner(s); on public lands where the managing agency has designated areas for such use.
